ORINDA SUN

Vol. X. No. 34 — Lafayette — Orinda, California — Friday, November 7, 1952 — Ten Cents

Orinda Votes Heavy for GOP

SEEMS A FAR CRY from today's modern department, but these two buildings represented the beginning of the Orinda Fire Department. At top is the original fire house, used for the old Volunteer Department and, starting in 1933, for the headquarters of the regular department which came into being with the Orinda Fire District. At bottom is the fire house which replaced the original station. Both these structures were at the present site of the Harrold Real Estate office on Orinda Highway. (See article on history of Orinda Fire Department and more pictures on inside page.)

Proposed Sewer Connection Fee Would Include Property Owners in L.I.D.'s

Back of the proposed Sanitary District ordinance to revise the regulations concerning sewer connection fees — scheduled to come up at last night's Board of Directors meeting — is the old story of efforts to set up one effective method of assuring necessary funds for expansion of district facilities.

According to John A. Nejedly, attorney for the district, and Gerry A. Horstkotte, Jr., district engineer, who prepared the proposed ordinance, it's also an attempt to equalize the payment of fees for connecting house sewers to street sewers — to substitute a schedule of uniform fees for the present schedule of board decision on the "merits" of each individual case or group of cases.

THE PROPOSAL suggests a $100 fee on the basis of fixtures, as follows:

For each toilet, $11; for each sink, $11.50; for each lavatory, $7.75; for each bath or shower, $23; for each laundry outlet, $46.75.

One fixture of each of these types in a house, so that all of them were present, would mean a total fee of $100. Additional fixtures of these types would mean additional charges, as per the schedule. And the proposed ordinance states:

"In the event request is made for connection of other services or uses not herein set forth, the sewer inspectors shall establish a connection charge therefor. Such connection charge shall be $1 per 3.5 gallons of anticipated daily flow."

THESE CONNECTION fees would be paid in the future for all house connections, regardless of whether the property is in a Local Improvement District. The present ordinance provides that property already in an L. I. D. is excluded from such connection charge.

Both Nejedly and Horstkotte emphasized this week that the proposal is in tentative form. Horstkotte said: "We want board expression on the skeleton proposal. As presently drafted, the proposed ordinance is merely a suggestion." He said he considered it "extremely unlikely" that the board would take final action last night.

WILLIAM MALOTT, who resigned last week as a director, feels that the proposal is faulty. According to Horstkotte, Malot argued that if a home owner has more than one bath, or more than one of any particular type of fixture, it is not proof that he will utilize them all.

"Our contention," Horstkotte stated, "is that if we put it on the basis of family unit, regardless, it will be more equitable. The idea of the charges on the basis of fixtures is to try to have the payment correspond to the flow to the sewer."

ANOTHER CONTROVERSY revolves around inclusion of L. I. D. homes in the proposal. But Nejedly says that such a setup would be fair.

"At present a contractor or subdivider pays the entire cost if he puts in the sewers," he said. "That includes the L. I. D. costs for lateral sewers and connection charges for house sewers. But with a uniform system of connection charges, the arrangement would be fairer. Whether the contractor or the home owner pays these connection charges wouldn't be the concern of the district — but a set schedule of connection charges would be in effect."

Horstkotte pointed out that at present the subdivider or contractor, when he puts in a connection, applies to the board for establishment of a fee.

UNDER THE TERMS of the proposal, persons objecting to additional connection charges established by the sewer inspector could appeal to the district board, which would then conduct a hearing and establish the additional connection charges — those over and above the basic fixture schedule.

"The amounts received by the Central Contra Costa Sanitary District pursuant to this ordinance,"

(Continued on Page 4)

Sanitary District Charges Inspector With 'Inefficiency'

The Central Contra Costa Sanitary District last night charged one of its employees with "inefficiency, failure to perform his duties and misconduct."

The indictment against Carl Nelson, senior inspector of main line sewers, was made by G. A. Horstkotte, district engineer.

As a result, Nelson has been suspended for 30 days beginning October 31. A hearing on the case was set for November 20. Board members said Nelson would decide whether it would be private or public.

In other action ,Director Frank Salfingere was appointed to contact an impartial efficiency expert outside the district to make a study of the district's operations.

In commenting on the plan, Director Irving Roemer said: "We're losing money. We want to find out where we're losing it."

Special Course Program Planned By School Board

The idea of a "specialty course program" for upper grade youngsters in both Orinda and Glorietta Schools was briefly discussed during Monday night's meeting of the Board of Trustees of the Orinda Union School District.

Such courses as elementary business, art, photography, Spanish, French, typing and dancing would be included in the program.

CHILDREN have taken papers home explaining the proposed program.

"It's a little early to get a reaction from parents as yet," Joseph L Shaeff, superintendent of schools explained, 'but several teachers are enthusiastic about it"

Instructors who have announced they woud be willing to teach the classes are Ted Boyce, Richard Bloom, Mrs. M. Ulp, Donald Wacks, P. Lambert, Mrs. Charmaine Barr, J. Comer, Mrs. Verna Given, Francis Tighe, Frank Isola and Ralph Henderson.

Tentative plans call for each class to meet approximately 15 times during the year in one-hour sessions.

It was announced that the State Department of Education did not approve of the additional 24 rooms in Moraga Del Rey School. The Board decided to invite state representatives to tour the school district so that they can see that there is a need for additional classroom space.

S. T. Jensen, who is doing the construction work at Sleepy Hollow School, wrote the board that carpet work is 60 per cent done, paint is 65 per cent finished and windows are 90 per cent in.

Pumping plant installation at the school has caused some delay but it is hoped that the school can be opened by the end of November.

IN 'I-Q" TESTS given to some 500 students during the 1951-52 school year, it was found that 25 per cent had final marks above 150; 50 per cent were in the 104-123 class; and 25 per cent had scores below 104.

"Normal scores should be in the 90 to 100 division," Shaeff said.

It was reported that bus transportation now brings 965 students to school every day. This is an increase of 61 per cent over last year.

Shaeff stated that $160 had been spent to pave an additional 620 square feet at Sleepy Hollow School.

THE MOTHER'S CLUB has given Orinda School new curtains for the autditorium which are fireproof. They also donated $300 towards playground equipment for Sleepy Hollow School.

Sheaff announced that seven new youngsters entered the school district last week.

Present at the meeting were Edgar Stewart, president; Mrs. Cathedine Schwarck, clerk; Anthony R. Cianciarulo, and Sheaff.

SENIOR DONS DECIDE THAT SENIOR HALL is for Seniors, hold a warning "toss-out-the-lowerclassmen" scrimmage. Left to right: Ned Davis, Alan Lohse, Dick May, Norm Tuttle, Al Stuart, Dave Cranston (the bum getting the bum's rush), Stan Pedder, Joe Conley and Jim Small.

Polio Report: No New Victims Here

No new polio victims were reported in the Lafayette-Orinda-Walnut Creek area during the past week according to Lloyd Frost, county health educator.

"The last case in the area occurred in Lafayette on October 27, when a two-year-old boy contacted the disease," he said.

Five new victims were reported elsewhere in the county during the week.

Are You Missing Pans or Dishes?

Some kind ladies who helped make a succcess of the recent food sale held by the Altar Guild of St. Stephen's Episcopal Church are missing assorted pans, plates, and casserole dishes, according to Mrs. Ida Zamloch, chairman of the Guild.

Mrs. Zamloch finds herself the temporary guardian of these useful culinary properties, and would be delighted to return them to their rightful owners.

If certain gaps in the supply of kitchen utensils would indicate a search through the articles left after the sale, interested persons may contact Mrs. Zamloch at Orinda 2275.

Pack 32 Meets Tonight; Future Projects Planned

Cub pack 32 meets at the Scout House tonight at 7:30.

Theme for the month of November will be "Faith of his Fathers" — the study of Thanksgiving.

At the den mothers' meeting on Monday night there was a discussion of projects for the future. It was suggested that the pack adopt as a project for the entire year the collection of paper to benefit the Therapy Center. Cubs might collect paper on any meeting day, whenever it might be most convenient for the den mother in charge. It was also suggested that each den adopt a needy family for Christmas Day. Names will be provided by the cubmaster, and the dens may start work on this project soon.

Mrs. Tom Montague announced that she has obtained permission for the entire pack to tour Treasure Island Navy Base early next Monday afternoon. Each boy is to go to school on that day in full cub uniform, carrying a note from his mother asking that he be excused from school to join the cub expedition. The cubs will assemble in front of the grammar school at five minutes before 2.

Pack officers for this year are: Cubmaster, Bob Rochester; assistant cubmaster, Glen Holtwick; treaure, John McFarland; properties, Roy Wendelbo; athletics director, Robert Thaman; membership, Mrs. Robert Thaman; den mother, Mrs. Gerhard Burde; publicity, Mrs. Kirk Miles.

At tonight's meeting two new cubs will be introduced — Geoffrey Knudsen and Donald Hill. Cubs introduced at the last pack meeting will receive their Bobcat Awards. These Bobcats are Roger Howard, Ricky Collins, Terry Hornibrook, Tom Rodgers, Steve Miller, Greg De Witt, Tom Kisner and Bill Schwarck.

County Approves School Annexation

The proposed annexation of the new Sleepy Hollow School area to the Orinda Fire District was approved by the Country Boundry Commission Wednesday.

Justin Randall, county assessor, reported that at present, the school area is in the Brione Fire District.

However, it is right next to the Orinda Fire District and the logical thing to do is to go into the Orinda district, he reported.

It will now be up to the Orinda School District to file the necessary papers and make applications for the transfer.

Small Grass Fire

A small grass fire on property belonging to R. Buzzini of Altamount Drive occurred Sunday according to Fire Chief H. E. Wyatt. No damage was reported.

Window Painting Winners Named

Winners in the Hallowe'en store window painting contest sponsored by the Orinda Lions Club were announced this week by Joseph L. Shaeff, superintendent of schools.

Winners were the eighth grade classes of Ted Boyce, James Comer and Bernard Bloom and the seventh grade classes of Francis Tighe, Ralph Henderson, Donald Wacks, Mrs. Charmaine Barr, Mrs. Verna Givens and Frank Isola.

Judges were Mrs. Zoe Woolsey, Walter Friberg and Hugh Phair. A $25 cash prize will now be divided evenly among the winning classrooms.

The Lions party at the Orinda Theater last Friday night was an outstanding success, thanks to the work of Jim Hendrickson, Ben Randall, Stewart Wade, Jack Cooper and Rudy Rasmussen.

Youngsters at both Orinda and Glorietta Schools had parades and parties during the day, and "a good time was had by all."

Youth Nabbed by Moraga Fire Chief

A 14-year-old youth who is believed to have been wanted in Oakland for parole violation was apprehended Saturday by Moraga Fire Chief Al Baitx.

The boy was caught as he attempted to start a fire in the Allen Crawford backyard in Canyon, according to Baitx.

Because he was unknown in Canyon and acted in an "odd" manner, Baitx said he notified the county sheriff's office. However, Inspector Norman Wilson said he hadn't heard about the case when asked about it yesterday.

Baitx said that before the sheriff's men arrived, he questioned the youth. When asked where he was from, the boy answered, "From 'way far off." Baitx reported that he believed the boy gave him a fictjtious name.

Baitx asked why he had attempted to start a fire and was told, "Because I wanted to 'pop' popcorn."

"I don't know what the sheriff's men did with the youngster but someone told me they saw the boy near the Orinda Crossroads Monday," Baitx said.

Chamber Studies Xmas Decorations

A discussion on possible Christmas decorations for Orinda highlighted yesterday's Chamber of Commerce meeting at Casa Orinda.

Color slides of several different type decorations were shown to the Chamber.

They also discussed possible locations to place the decorations at the Crossroads and the Village.

Paul Vashell, heads the decorations committee.

Property Owners Protest LID 23 Unit Assessment

Protests from property owners of Local Improvement District 23 of the Central Contra Costa Sanitary District were voiced last week against a deviation from the estimated amount of $450 per unit sewer assessment to the present determined assessment of $605. The hearing on assessments was continued to last night.

Gerry Horstkotte Jr., Sanitary District engineer ,labeled the discrepancy "a mistake not necessarily anybody's fault."

In explanation of the differing amounts for unit assessment in the Lake Cascade area the district board recommended that each property owner within L.I.D. 23 be notified by letter of actual construction costs under accepted contract bid of Charles Burch, construction engineer.

FINAL COST of L.I.D. 23 was itemized by the board as follows:

Construction: $150,869.40.

Incidental expenses of printing and advertising; engineering plans and surveys; costs of proceedings; cost of title search, rights of way: $40,746.60.

Total cost to be assessed: $191,616.-00. This amount, divided among 316.95 parcels of land yields the figure of $605 per unit assessment.

The district board further explained that when bids were opened at the board meeting of May 17, 1951, the low bid of Charles Burch was higher than the engineer's estimate, and it was then known that the assessment would be around $600.

IN REPLY TO 14 inquiries on assessments involving homesites occupying two or more lots, the board set up the ruling that there would be no modification of these assessments, as each building lot will be considered one unit of benefit and assessed accordingly.

Other protests from residents within the newly-serviced improvement district were registered against construction work not having been performed according to contract deploring poor condition of roads left from sewer installation.

Director Ernest Spiegle assured all objectors: "The Sanitary Board will not approve the present contract without thorough investigation of complaints."

Mario Guarneri On TV Saturday

Mario Guarneri, nine-year-old son of Mr. and Mrs. Fred Guarneri of 58 Orchard Road, will make his second television appearance tomorrow on the "Stars of Tomorrow" TV show on KRON at 4 p. m.

Mario will play "Star Dust" on the Trumpet. He was one of six selected to appear on the show out of 35 youngsters who were auditioned.

Several months ago Mario appeared on the Del Courtney TV program, where he won a second place award for his trumpet playing.

17 Propositions Get County Okay In Record Vote

A record turnout of Contra Costa voters Tuesday said "yes" on 17 out of 24 state propositions.

On County Proposition A, for a $1,350,000 bond issue for construction of a county office building in Richmond, 55,614 voters said "Yes" and 46,685 said "No."

Although this was a majority of the votes, the necessary two-thirds vote failed and the proposition was not carried.

Thinking of their youngsters and following the rest of California, an overwhelming majority of voters passed State Propositions 2 and 24.

IN THIS COUNTY, 92.072 voted for No. 2 and 30,443 voted against it. On Proposition 24, a "Yes" vote of 87,382 was recorded, while a "No" vote of 22,541 was registered.

Propositions 10 and 11—the McLain proposals—went down in a smashing defeat. Proposition 10 received a "No" vote of 58,905 in Contra Costa and a "Yes" vote of 49,-723.

Old age pension amendment, Proposition 11, received a "Yes" vote of 57,222 in the county, as opposed to a "No" vote of 59,269. The rest of California voted much the same as Contra Costa.

In a "tight" vote, Proposition 3, private school tax exemptions, got a "Yes" vote of 59,927 and a "No" vote of 64,898. Elsewhere in California, Proposition 3 was holding a slim lead.

THE PROPOSITION to ban cross-filing, No. 13, wound up with a Contra Costa "Yes" vote of 61,467 and a "No" vote of 50,741. California, however, defeated Proposition 13.

In other proposition results in the county:

No. 1, veterans' loan bonds, 101,-482 yes, 16,547 no. This result was much the same as throughout California.

Both Contra Costa and the state said "Yes" on No. 4, payments to needy blind. 70,256 yes in the county, 42,936 no.

Proposition 5, ban on subversives, 62,123 yes, 53,965 no. It also received a majority of votes in the state.

LOYALTY OATHS, Proposition 6, 62,123 yes, 53,965 no. California and Contra Costa saw "eye-to-eye" on this measure also.

No. 7, party listing by candidates on primary election ballots, 74,571 yes, 37,895 no. It also received a majority of votes throughout California.

Both church and college construction tax exemptions won a victory. No. 8, church exemptions, 81,-429 yes votes in Contra Costa, 40,-563 no. No. 9, college exemptions, 73,127 yes, 26,182 no.

Proposition 12, military service leave by officials, 85,989 yes, 17,747 no. It received a majority of California votes.

LIKE THE REST of California, Contra Costa gave a majority of "Yes" votes to Proposition 14, Chinese restrictions repeal—82,958 yes, 22,843 no.

No. 15, for banks and insurance company taxes, 84,577 yes, 22,483 no.

No. 16, borough government in cities, 79,127 yes, 21,024 no. This followed the trend throughout California.

The Chiropractic Act amendment, Proposition 17, 55,285 no, 47,613 yes.

A yes vote of 51,619 was given to Proposition 18, local redevelopment projects. This received a no vote of 46,420, and was similar to the vote throughout California.

HOLDOVERS for grand juries, Proposition 19, 46,358 yes, 47,482 no.

No. 20, hospital construction funds, 57,805 yes, 47,167 no. However, the measure was defeated in state tabulations.

SUPERIOR COURT vacancies, Proposition 21, 69,533 yes, 28,259 no. This also won a victory in the state tally.

Proposition 22, property tax statements, 39,304 yes, 54,002 no. This proposition was defeated throughout California.

Cub Pack 52 Cake Sale on Tomorrow

A cake sale by den mothers of Cub Pack 52 will be held at the Sprouse - Reitz store tomorrow between 11 a. m. and 4 p. m.

Cakes and pies on sale have been donated by mothers of the cubs, and all money collected will be for the pack.

Mrs. Thomas Moore and Mrs. Walter Mulks are in charge of the sale.

Ike Leads Adlai 5 to 1 Locally; Baldwin Scores

Orinda voters overwhelmingly voted Republican in Tuesday's election, demonstrating this community's increased prominence as a G. O. P. stronghold in the county.

The local vote for General Dwight D. Eisenhower for President was more than 5 to 1 over that for Governor Adlai E. Stevenson.

John F. Baldwin Jr., Republican candidate for Congress, received a better than 5½ to 1 majority over Democrat Robert L. Condon, who eked out a 37-vote majority in Contra Costa.

Republican Donald D. Doyle, victorious Assembly candidate, chalked up an approximately 4⅔ to 1 margin over his Democratic opponent, Harold E. Mutnick.

THE VOTE from Orinda's 15 precincts in these three races was:

Eisenhower, 3265—Stevenson, 636.
Baldwin, 3337 — Condon, 604.
Doyle, 3179 — Mutnick, 667.

Incomplete returns from Solano County gave Condon 22,286 more votes, and Baldwin 18,492 more, bringing the incomplete vott for the congressional district to 85,103 for Conton and 81,272 for Baldwin.

According to the election department of the Contra Costa County clerk's office, 4564 absentee ballots remain to be counted. This counting will get under way November 21.

Contra Costa was one of the few California counties which gave a majority to Stevenson in the presidential election—67,119 to 65,553.

COUNTY PROPOSITION A received 1922 "No" votes in Orinda, and 1693 "Yes".

Local vote on some of the state propositions was:

No. 2: Yes, 2569 — No, 1302.
No. 3: No, 2538 — Yes, 1414.
No. 5: Yes, 2671 — No, 1208.
No. 13: No, 2773 — Yes, 1015.

County for Adlai But Republicans Gain in Strength

Unlike most of the counties in California, Contra Costa gave Adlai Stevenson a majority of votes in Tuesday's elections but at the same time showed surprising strength for Republican candidates.

In the presidential election, Governor Stevenson was given a total of 67,119 votes as against 65,553 for Eisenhower.

Robert L. Condon, Democratic candidate for Congress from the new 6th Congressional District, received 62,817 Contra Costa Votes to Republican John F. Baldwin's 62,-780 votes—a majority of only 37.

Incomplete figures from Solano County gave Condon 22,286 and Baldwin 18,492. Combined, the incomplete total was 85,103 for Condon and 81,272 for Baldwin—a 3831 margin for Condon.

Donald Doyle, Republican, won the State Assembly race with 39,-638 votes. Harold E. Mutnick, Democrat, ended up with a total vote of 28,072.

Doyle's victory margin was 11,566 votes.

Mrs. E. Carlson Talks to Rotary

Mrs. Etelle Carlson, assistant director of the International House at the University of California, spoke to Orinda Rotary members Wednesday at the Willows.

Mrs. Carlson told about International House. Dr. Ted Lyon was program chairman.

Next week, Admiral T. E. Hipp, commander of the Naval Supply Center in Oakland, will be guest speaker. He will talk on "Trends in Military Supply Management."

Youngsters Sign Up For Ice Hockey Play

Four Orinda youngsters have signed up for the 1952-53 junior hockey league play at Berkeley's Iceland.

They are Jerry and Mike Gillivan of 160 Camino Don Miguel, Richard Haskell of 69 Camino Del Diablo and Peter Peterson of 23 Avenida De Orinda.

Yippee!... Those Orinda Rangers Again Organize for Equestrian Fun, Action

By ALVIN GUTHERTZ

After six years of "doing nothing", the Orinda Rangers have banded together once again and have started operations.

The organization, composed of Orindans who like to ride horseback, was first started in June of 1946 but was forced to cancel plans because of lack of enthusiasm and cooperation.

In February of this year, Nathan Gray and Carl Rasmussen Jr., got a few of the original members together and they decided to start the Rangers again.

RASMUSSEN was elected president, William Seroy, vice-president, and Clarence Betz, secretary-treasurer.

Other active members are Ken St. Clair, Edward Rogers, F. E. Blaney, Earl E. Cappel, Walter Christie, W. A. Clayton, R. S. Dawson, Joseph Harris, Austin Little and R. P. Rasmussen.

Recently the group completed construction work on part of their 300 acres of Filmers property which they have leased in Oak Springs. They build a corral and hay shelter and did some repair work in nearby fances. The men worked on weekends and their youngsters and wives gave moral support.

CHIEF EVENT coming up now is a one-day ride planned for the end of this month. Members and their families go on these day-long outings and all have a good time.

Plans are now underway to form a junior group. The Rangers will discuss this at their November 18 meeting.

The Rangers meet the third Tuesday night of each month at Nathan Grays home on Spring Court. If you're interested in riding and a good time, a cordial invitation to the meeting is yours.

Even Weather Got 'Hot' Here on Election Day

Old Man Weather went along with the rest of the country election day and allowed things to get "hot" in Orinda.

For during the week from October 30 through Wednesday, the hottest day reported was Tuesday when thermometers reached the 77 degree mark.

Saturday, Sunday and Monday nights a cold of 33 degrees was noticed in the area and this proved to be the lowest point of the week.

No rain was reported.

Sanitary Board Seat Open, Call For Applicants

President Elliott Johnson of the Central Contra Costa Sanitary District Board announced this week that applications would be considered for a successor to the post of director left vacant by the resignation of William Malott.

Johnson stated that applications should be submitted to the district board, 1822 Mt. Diablo Boulevard, Walnut Creek. The board will then interview the applicants and select a new director to complete Malott's unexpired term.

Any interested resident of the district who feels he is qualified to serve may apply, according to Johnson.

CALENDAR OF EVENTS

FRIDAY, NOVEMBER 7

Student-teacher assembly on driver education, Acalanes High School, 8:30 a.m.

Orinda Mothers Club joint room meeting — Peggy Rathert's fifth grade and Mrs. Hollis' fifth grade, Mrs. Eugene Shurtleff's home, 3 p.m.

Orinda Mothers Club, bridge sections, hom eof Mrs. Berton S. Kohler, 6 Irving Lane, 9:30 a.m.; home of Mrs. J. E. Hill, 2 Idyll Court, 12:30 p.m.

Football—Acalanes vs. Diablo, at Acalanes, 8 p.m.

Cub Pack 211, Community Church, 7:30 p.m.

Seafarers, nursery of Orinda Community Church, evening.

Hacienda open house, Orinda Community Church, after Acalanes game.

Cub Pack 32, Scout House, 7:30 p.m.

SATURDAY, NOVEMBER 8

Cub Pack 52 Sale. Sprouse-Reitz store, 11 a.m. to 4 p.m.

Cadets of Mt. Diablo Civil Air Patrol, Buchanan Field, 2 to 5 p.m.

SUNDAY, NOVEMBER 9

Attend the church of your choice.

Orinda Girl Scouts, Juliette Low World Fellowship Tea, Scout House, 2 p.m.

Pilgrim Fellowship, Orinda Community Church, 6:45 to 8:45 p.m.

Young People's Fellowship of St. Stephen's Episcopal Church, at the vicarage, 101 Las Vegas Road, 7 to 8:30 p.m.

MONDAY, NOVEMBER 10

Santa Maria Catholic Women, Orinda Country Club, 8 p.m.

Acalanes Evening Chorus, rehearsal for "Messiah" and "Pirates of Penzance," Acalanes High School cafeteria, 7:30 p.m.

Mt. Diablo Junior Chamber of Commerce, El Nido, Lafayette, 8 p.m.

Orinda High School Mothers Club, home of Mrs. R. A. Stark, 555 Manzanita Drive, 12:30 p.m.

Orinda Mills Club, home of Ann Sanford, Hacienda Circle.

TUESDAY, NOVEMBER 11

Armistice Day.

Fathers and Sons Dinner, Fellowship Hall, Orinda Community Church, 6:30 p.m.

Section 4 of Women's Guild, home of Mrs. A. K. Harmon, 4 Oak Lane, 8 p.m.

WEDNESDAY, NOVEMBER 12

Orinda Lions Club, dedication of wishing well, Willows, 7 p.m.

Orinda Nursery School Association ,potluck supper, Orinda Community Church, 7 p.m.; to be followed by work party by men and women.

Contra Costa Alumnae Association, Pi Beta Phi, Settlement School Tea, Mrs. Thomas Coakley's home, Reliez Valley Road, Martinez, 1:30 to 4:30 p.m.

Glorietta School room meeting for mothers, classes of Miss Elna Kistler and Marian Scofield, home of Mrs. R. Messersmith, 31 Irvine Drive, 3 p.m.

Section 3, Women's Guild of Orinda Community Church, Mrs. Harry T. Doten's home, 51 Via Hermosa, 8 p.m.

Orioles, Mrs. Thomas Connolly's home, 16 Altamount, 12:30 p.m.

Rotary Club ,Willows, noon.

Lions Club, Orinda Roost, 7:30 p.m.

THURSDAY, NOVEMBER 13

Mt. Diablo Y's Men's Club, Hal's Drive Inn, Lafayette.

Orinda Garden Club meeting, Orinda Country Club, 10:30 a.m.

Nine Residence, Garage Permits Issued in Area

Nine residence and garage permits were issued for the Orinda area by the county building inspector's office during the two-week period ending October 17.

Two were issued to owner Hacienda Homes for lots 48 and 49 at Glorietta and Moraga Roads. Builder, Lawrie Construction Company, estimated cost, $8640 and $8688.

Another went to owner and builder C. H. McEntryre for site at Lot 23, Overhill Road and Martha Road. Estimated cost, $9510.

OWNER C. BECKETT received a permit for location at Van Ripper and Lombardy Lane. Builder, Frank Sisson; estimated cost $11490.

One went to owner and builder Paul Haller for site at Lombardy Lane and Irvine Drive. Estimated cost, $10,785.

Another permit went to owner and builder David William Jr. for site at Camino Don Miguel and Miner Road. Estimated cost, $10,028.

H. Gardner received a permit for Lot 116 at Irving Lane. Builder, Smith and Wilkie, estimated cost $8832.

A RESIDENCE and garage permit went to owner S. Kintiezini for location at Moraga Highway. Builder, C. E. Dybdahl, estimated cost, $10,260.

Owner K. Lincoln received a residence and garage permit for Lot 15 at La Venida and Estabueno. Estimated cost, $13,068.

A residence addition permit went to owner and builder Phillips Construction Company for Lot 33 at Meadow Court and Meadow Lane. Estimated cost, $1440.

Another residence addition permit was issued to owner H. Gardner for Lot 116 at Irving Lane. Builder Smith and Wilkie, estimated cost, $1683.

TWO GARAGE permits were issued. One went to owner and builder Fayram for Lot 260 at Sleepy Hollow Lane. Estimated cost, $3000

The other went to owner and builder Leon Budkitt for site at Lot 3, Santon Avenue and Claremont. Estimated cost, $1200.

A private pool permit went to owner F. DeToree for site at 88 Lombardy Lane. Builder, Landon Pools; estimated cost, $2500.

Another private pool went to owner H. Ohleyer for site at 12 Hacienda. Builder, Paddock Engineering, estimated cost, $2500.

A dressing room and patio permit went to owner W. B. Dunshoe for site at Lot 17, Ardilla Road. Estimated cost, $441.

Permit for basement and residence foundation at Lot 10, block C, Ardilla Road and El Toyonal, went to owner Warren Harrold. Builder Acteen Pest Construction; estimated cost, $900.

'John Brown's Body' In Berkeley Monday

Judith Anderson, famous stage star, canceled a nationwide reading tour of passages from Robinson Jeffers' "The Tower Beyond Tragedy" and "Medea" in order to join Tyrone Power, Raymond Massey and the Walter Schumann Choral Group in Paul Gregory's production of Stephen Vincent Benet's epic American narrative poem, "John Brown's Body," coming to the Berkeley Community Theater Monday.

Producer Gregory and Charles Laughton, who directed the poem for the stage, told her they were aware of her own touring plans, but asked if they could discuss their staging ideas for "John Brown's Body" with her at dinner. Miss Anderson agreed and found herself so interested in the project that she canceled her own plans before the evening was over.

Our Fire District—20 Years of Progress

On February 6 of this year the Orinda Fire Protection District completed 19 years of service to the community. With the district now in its 20th year of public service, the Board of Fire Commissioners presents this report on district progress and activities.

EARLY HISTORY — Prior to the legal formation of the present district, Orinda was served by a well-manned and efficient Volunteer Department. Many recall the highly successful dances sponsored by the Fire Department in Sleepy Hollow. Funds raised through these dances and other community activities enabled the purchase of equipment and the building of a fire house.

As Orinda was expanding and additional funds were required to operate the department, it was decided to call for an election whereby the Orinda County Fire Protection would be organized and supplant the Volunteer group. The voters approved this plan, and on February 6, 1933, the present Fire Department came into existence.

With the formation of the district, all property and equipment of the Orinda Volunteer Fire Department became part of the new district. Included in this transfer, which amounted to $9250 was a fire house, located at the present site of the Harrold real estate office, one fire truck and a quantity of fire fighting equipment.

IMMEDIATE BENEFITS realized — Prior to 1933, property owners in the area were paying a fire insurance rate of $1.32 per $100 for three years. After the first year of operation of the new district, the rate was reduced to 30 cents for the same period. Fire losses also were greatly reduced, and Orinda was afforded better protection.

As the community expanded, the need for additional facilities required the building of a larger fire house. The original house, which was acquired from the Volunteer Department was torn down to make way for a larger one at the same location.

DISTRICT EXPANDS — At the time the district was formed it took in the subdivision of Orinda Park Terrace, Orinda Highlands, Hacienda del Orinda, Orinda Villa Park and Oak Springs. The assessed valuation at that time was $552,810.

With the opening of the Broadway Low Level Tunnel, Orinda rapidly expanded and the new subdivisions requested to be included in the Fire District. In 1939 the assessed valuation in Orinda climbed to $1,454,275, and in order to provide adequate fire protection the Board of Fire Commissioners sought property upon which to build a larger fire house. During this year, a site was selected at the end of Avenida De Orinda in the Village. This property had a strongly reinforced foundation and basement that could be used ideally in planning for a new fire house.

In 1942 the present station No. 1 was completed at a cost of $22,802.11 The Fire Commission received valuable assistance from Ralph Sission and William Penn Mott Jr., who supervised the architectural and construction work. Both of them served without cost to the district.

FACILITIES EXPANDED — The District had 16 fire hydrants at the time it was organized. Twenty-nine additional hydrants were installed by 1944 and several new pieces of equipment were purchased.

As the development of Orinda continued, new areas were annexed or taken into the district. In 1949 the growth of Orinda was so rapid that the Board of Fire Underwriters recommended that a second fire house be constructed in the Moraga Glorietta area.

Acting on this recommendation, the commisioners purchased two acres at the corner of Moraga Highway and Orchard Road and submitted a $130,000 bond issue to the voters to provide for the second fire house and equipment, in addition to a third fire house which was to be erected when the need occurred. This bond issue met with the overwehlming approval of the voters, and the Orchard Road Fire house became a reality in 1951.

IN THE 19 YEARS that the fire District has been in operation the assessed valuation has increased from $552,810 to $8,862,070. From the original 16 fire hydrants, the district now has 160, and insurance rates have dropped from $1.32 per $100 to .52.

This year the reduction in rating given Orinda by the Board of Fire Underwriters from Class 6 to Class 4 resulted in a 19 per cent reduction in insurance rates and it was also possible to lower the Fire District tax rate by 8.7 cents.

DUE TO THE RIGID enforcement of fire ordinances, the fire loss in 1951 amounted to only $1600. The department responded to 141 calls of all types and a total of 1118 fire inspections were made.

For the benefit of new residents the commissioners point out that throughout the year no burning is allowed before sunrise or after noon, and even though a permit has been issued the Fire Department must be notified before any burning is done.

THREE OF THE original commissioners are still active on the board. Warren Harrold, who last month retired as chairman, has been active in Fire Department work in Orinda for over 25 years. His efforts along with those of Commissioners Harry Oakley, E. A. Dawson, August Reuter and Galen Darr, have resulted in the formation of what is now one of the highest ranking fire districts in the state.

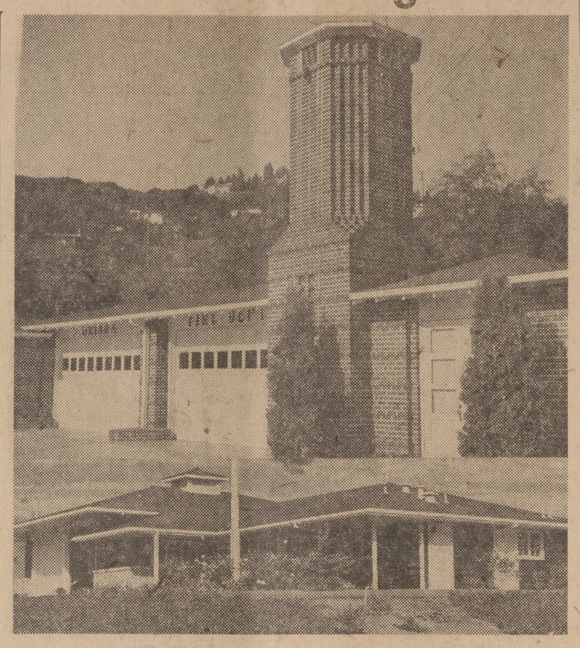
Of the original commissioners, Harrold, Oakley and Dawson are still members of the board. Gilbert Earle and Zach Montgomery were appointed by the Board of Supervisors to bring the fire board up to its full complement of five members.

IN SUMMING up the progress of the district, the commissioners take cognizance of the splendid cooperation given the Fire Department by the community.

Today the department employs 16 full-time men, and has in operation eight pieces of equipment, including six fire trucks. Also available to the community is an Emerson resuscitator which is used in cases of heart attacks, drownings, etc., and all Orinda firemen are skilled in its use.

The commissioners report that they have tried to effect every possible saving in the operation of the department and to pass these savings along to the taxpayers. They point to the favorable insurance rates now in effect and the lowered district tax rate ore concrete examples of this policy.

In an unincorporated area such as Orinda, the services of the Fire Department take on added significance, as the department is called on to perform services which ordinarily are handled by other agencies. The department recognizes its responsibility and is prepared to respond in any emergency.



TODAY'S EFFICIENT Orinda Fire Department, under Chief H. E. Wyatt, operates from these two up-to-date stations. Above is Fire House No. 1 in the Village, on Avenida De Orinda. The site was selected in 1939 and the building was completed in 1942. Below is Fire House No. 2 south of the Crossroads, at Orchard Road and Moraga Highway. This station was completed in 1951.

Stork Club

LYNN ANN BAKER

Lynn Ann Baker, daughter of Mr. and Mrs. B. Thurman Baker of 220 Longview Terrace was born September 11 in Oakland's Permanente Hospital. Lynn weighed five pounds, three ouces at birth. She has a brother, Gary, who is four, and a sister, Nancy, who is seven.

NORTHWAY

A son was born October 18 to Mr. and Mrs. Harold E. Northway of 141 Lombardy Lane.

Three-Way Chess Meet in Crockett Set for Sunday

The Diablo Chess Club travels to Crockett Sunday to engage the Vallejo and Crockett Chess Clubs in a triangular meet. The contest will be held at the Crockett Community Club and will start at 1 p. m.

The local team recently defeated Crockett, 6 - 1. However, a few of the top players on the visiting team could not make the trip. Sunday will see a stronger aggregation at the boards. Vallejo is considered one of the better teams in this area, so play should be tight.

Those representing the Diablo Chess Club are Bob Burger, H. Thackwell, Connor Schroth, M. Odhner, M. Sagenkahn, Ray Robinson, Mrs. F. Schroth, C. Coppin and Harry Vernon.

Youth Group of St. Stephen's To Meet Sunday

Widely known as "The Padre of Kids' World," the Rev. Vern Swartfager will adress members and friends of the Young People's Fellowship at St. Stephen's Episcopal church on Sunday evening at the virarage, 101 Las Vegas Road in Orinda.

Announcement has been made designating the winners of the Recreation for teen agers contest held within the Young People's Fellowship by the Rev. Charles M. Hill, vicar of St. Stephen's.

Chuck Gompertz and Sally Ann Shipley won the two awards offered for the best list of recreation opportunities in the East Bay. The contest was held to provide an answer to the frequently heard complaint that there is nothing for the teenager to do in this area.

Enthusiasm for the recreational possibilities listed in the prize winning papers did not prevent the group from planning a strictly Y. P. F. event, a treasure-hunt and dance which will be held on a Saturday night in the near future. According to Bob Harrison, party chairman, the affair will take place before the end of football season, with Sally Ann Shipley as assistant in charge of arrangements.

Members of the Young People's Fellowship will serve breakfast to those attending the annual Men's and Boys' Advent Corporate Communion on the first Sunday of Advent, November 30, at the vicarage. Breakfast will be served following the Communion service, by the youth group for a free-will offering.

ELECTRIC SYSTEM

Your car may have an excellent fire rating but just the same that is no assurance that some careless act of yours in the handling of a repair job will not result in a fire, warns the National Automobile Club.

'Kids' Padre' At St. Stephen's

At invitation of the Rev. Charles M. Hill, vicar of St. Stephen's Episcopal church, the Rev. Vern Swartsfager, popularly known throughout the United States as "the Padre of Kids' World," will deliver the sermon to local Episcopalians on Sunday at 5 p. m. in the Orinda Community Church building.

Author of "The Bell Ringers," a writing which recounts the priests' experiences with problem youth groups, Rev. Swartfager is pastor of the Church of St. John, the Evangelist in San Francisco.

Formerly a sportswriter for a Chicago newspaper, Swartsfager entered the ministry after considerable experience in the business world.

He was confronted soon after being ordained with a phenonemon which had baffled his predessors at St. Matthew's Cathedral in Dallas, Texas — the ringing of the church bell during the night at hours shortly after midnight.

Traps were set for the bell ringers and various schemes designed to identify them met with no success, until the new priest vowed he would solve the mystery. After standing all night for several nights, the watcher caught the first of the bell ringers, a youngster who confessed the bell was rung to assemble a group of boys who perpetrated a variety of crimes, including theft, burglary, auto-stripping and other offenses.

CONVINCED OF parental delinquency rather than juvenile delinquency, "The Padre of Kids' World" has worked successfully with young people in many parts of the United States.

Mrs. T. J. Fahay will accompany the service at the organ, offering "Pastoral Prelude" by Armstrong, and "Festival March in F" by Gaul. Sherwood Thatcher will direct the St. Stephen's Vested Choir.

'Stewardship of Money' Subject Of Church Sermon

Two opportunities for public worship and two sessions of the Sunday school will be offered as usual at Orinda's Community Church Sunday morning, the first at 9:30, the second at 11 o'clock.

Both will be conducted jointly by Rev. Fred Morrow and C. Ray Fawler. Organists for the two services are Dorothy Turk and Daniel Popovich, respectively. At 11 o'clock, Margaret Popovich will lead the chapel choir.

The sermon topic announced by the Rev. Mr. Morrow is "The Stewardship of Money." He says that in this sermon he will do something he has never done before in his life.

Under the superintendency of Everette D. Howe, graded instruction is offered under competent teachers using the best available curriculum materials. Classes include all ages from nursery to adult. For the latter group Rev. Gail Cleland, Ph. D., of Berkeley will present the second in a series on "The Bible Brought to Life" as he impersonates "The Shepherd who wrote a Book."

Between 6:45 and 8:45 young people of high school age are gathering in large numbers for the Pilgrim Fellowship program of games, song discussion and chapel worship.

About our happy Country Folks

By EDITH BOLMAN

ANYONE WHO THOUGHT THAT FUNNY COSTUMES and Hallowe'en masks were the prerogative of the very young simply didn't reckon with the lady golfers of the Orinda Country Club. On Friday, last, the annual Hustle Bustle tournament brought forth the most nerve-shattering collection of monsers, sirens, creeps and spooks you ever saw.

Now for instance, four disreputable duck hunters with handlbar whiskers, guns, decoys, and red noses were, underneath it all, Mesdames Carlton Rank, Thomas Bacon, Perry Thomas and R. Hopkins. Three horrors who sat alone in a corner, because they were something no one could tolerate along with the orange juice and scrambled eggs, were Mesdames William Baughman, Glen McElhinny and Jack Scammel, A pair of sirens with ghastly white faces enormous eyes and jangly earrings were Mrs. Albert Gorie and Mrs. Conrad Shaaft. Mrs. Stephen Jensen wore a straw hat decorated by a feather so long it must have been on the green while she was still on the tee.

Well, of course, many more, but they finally unveiled and got down to the business of eating, and then came the golf game. Someone with a piquant sense of humor had fixed up the course. On the first green there were hairpins around the hole so that your golf ball innocently headed for same unoccountably hit something and bounced backwards. On the Sixth, a long hole, after the drive you used your eight iron and worked on up to the longer clubs so that you ended up by making a short chip shot to the green with a two iron. The seventh green was a confounding problem — the hole was on the side of a hill, and no matter what you did the ball coyly rolled passed the hole down the other side so that each time you putted you were farther away than before. There were a few ex-baseball players in the group who handled the problem with only one putt. Elsewhere the holes were in the middle of sand traps or, if on the green, were surrounded by a cage.

Final results were: Low Net, Mrs. Roland Douglas; second low net, Mrs. Aubrey Swoet and Mrs. A B. Tanner. Winners for having the most putts on that bird cage hole were Mrs. Carlton Rank and Mrs. Perry Thomas. Closest to the pin on the eighth was Mrs. A .B. Tanner. Mrs. Merle Noble had a low six on the sixth and the third low net was won by Bea Elder and Frank Bencasa. (Now as far as Mr. Bencasa is concerned, we never could figure out how he got into the ladies' tournament — he had'nt paid his ladies' membership dues — but then that was just the sort of a day for strange things to happen.

AS FAR AS THE CHILDREN'S ESCAPADES were concerned, the only astounding situation we ran onto was a group of little ones who were so lady-like they wouldn't soap the windows even if the people weren't home to buy their freedom.

Mrs. D. W. de Laveaga is just back from an inteeesting trip south, where she visited Mr. John Treanor. Both women were vitually interested in a meeting at the home of Mrs. Treanor where a Republican speaker discussed many facts of the election with open-minded Democrats. Isn't it wonderful when people will get together and talk things over regardless of party affilliation? Recently, too, Mrs. de Lelaveaga attended the luncheon at the palace Hotel where John Roosevelt spoke and for which she was a sponsor. Seated at her table were such interesting people as Kathleen Norris, Mrs. Gordon Tevis and Mrs. Charles Cooke. Among those at the speakers' table were Admiral Charles Cooke, chief of staff under Fleet Admiral Ernest King, and George Creel, who spearheaded the Northern California for Eisenhower group.

The Al Scollard and R. F. Hopkins have returned from Pebble Beach and Monterey, where most people go to enjoy the scenery, but not so with the Scollards and Hopkins — they played golf four days in a row.

The Richard Bottjers, Stanley Hunns, Gene Schmitts, Jerry Cullens and Gary Garrisons all got together recently at the home of the Don Woodcocks on Las Vegas Road for a neighborhood potluck supper. Every body brought a little something because they hadn't had any parties for a long time because of three little somehing elses. Masters Kent Woodcock, Richard Cullen and Kurt Bottjer had all chosen to arrive in the same neighborhood within a period of six weeks, which was very exciting but certainly threw the monkey wrench into the neighborhood party plans for quite a spell.

Local Gamma Phi Betas had better hop to it next Thursday at 12:30 at the El Nido to celebrate Founder's Day with their sisters. Any lost or uncontacted G.P.B.'s just call Mrs. Donald Kientz at Walnut Creek 5275 for reservations.

DUCK SEASON HAS CERTAINLY MOVED IN on our territory. Frequently when we make our interminable phone calls to track down news we get the deadpan rejoinder, "Gone duck hunting."

Such people who are in and out of town every so often for same are Lyle Yorks, Stephen Jensens, Kendric Morrishes, James Sharps, Wallace Marshes, Herbert Dwights and untold others, no doubt, who haven't left any one at home to say "Gone duck hunting."

Profit and loss department: We are losing the R. K. Smith family to Lafayette but their home on Los Aromas is being taken over by Dr. and Mrs. James McDonald and son.

The King Wilkins' are also scanning their worldly goods with questioning eyes as to what to keep and what to throw away because they are moving into the Wisemans' house on Los Arboles.

The Robert Raskobs are in Arizona showing off the new baby to various other Raskobs.

A GAY GROUP OF 20 IN COSTUME on Hallowe'en at the Clinton DeWitts for buffet dinner. Same thing went on for 12 year old group at Nancy Veitch's — games and food, of course — one game in particular was most certainly calculated to make you grow old before your time, but, we suppose, if you are 12 years old that sort of thing doesn't make so much difference.

The Lions Club show for the kids was, as always, a great success, but we forgot to plant one of our spies there, so no funny stories this year. That is all.

Pilgrim Fellowship Hosts Torch Club

Last Sunday evening the Pilgrim Fellowship group of the Orinda Community Church were hosts to the Torch Club of Oakland Plymouth Congregational Church.

The 65 young folks present took part in a program of refreshments, recreation and a discussion on "A Christian and his Car," led by Bruce Calderas of the Torch Club.

Seafarers Hear Skelton Tonight

The Seafarers will meet tonight in the nursery of Orinda Community Church, with Ralph Wilson presiding.

Hostesses will be Mrs. Fred Morrow and Mrs. E. A. Dawson and the guest speaker will be Guy D. Skelton of the Oakland Police Department, who will speak on narcotics.

All parents of teenagers are invited to come to this meeting.

Section 1 Will Meet on Thursdy

Section 1 of the Women's Guild will meet Thursday at 12:30 at the home of Mrs. E. T. Meakin, 33 La Noria.

Co-hostesses will be Mesdames Lance Barden, E. A. Dawson, Hanna Teiche and G. Chester Brown.

Mrs. Barden's devotional talk will be on "Thank Offerings."

Guild Section 3 To Meet Wednesday

Section 3 of the Women's Guild of Orinda Community Church will meet at the home of Mrs. Harry T. Doten, 51 Via Hermosa, next Wednesday night, at 8 o'clock.

Aprons left over from the October 29 Bazaar will be auctioned off.

Add up all those expenses involved when you shop away from this area — it pays to shop at home!

Food-Fun-Work--Nursery School 'Party' Has All!

Can you answer "Yes" to these two questions?:

(1) Want to have a really good time? (2) Do you own a pair of jeans?.

All right then, put them on and come to the Orinda Nursery School potluck supper to be served at 7 p. m. next Wednesday in the Social Hall of Orinda Community Church.

Remember the tremendous supper and good time last year? The idea is that after supper all mothers and dads get to work doing odd jobs about the nursery school in behalf of the kiddies.

You can take your pick of hammer, saw, paint brush or even floor mop. Best of all, this is a fine opportunity for mothers and dads to become acquainted with the parents of their children's schoolmates.

Orioles Discuss Rummage Sale

Discussion of the unit's recent sale highlighted yesterday's meeting of Orinda Orioles board members at the home of Mrs. Dan Peacock of 131 Lombardy Lane.

The sale, held October 20 and 21, was such a great success that members considered making it an annual event.

Much appreciation was expressed for the time and help which the members of the Auxiliary gave, the generous assistance of the husbands who helped with the transportation and arrangement of displays, and the many friends who gave goods to aid this benefit for the Mt. Diablo Therapy Center.

A December Tea for all active, inactive and associate members of the Orinda Orioles Auxiliary was discussed. Edmund Barnett, president of the Therapy Center board, will be guest speaker.

The next meeting of the auxiliary is to be held in the home of Mrs. Thomas Connolly of 16 Altamount, Wednesday at 12:30.

Catholic Women's Club Will Hear Leona Garvey

Leona Garvey, children's librarian of the Oakland Public Lebrary, will speak to the Santa Maria Catholic Women's Club Monday at Orinda Country Club at 8 p.m.

She will talk on children's reading.

A gift bazaar featuring handmade women's and children's clothing, jewlery and household items will be set up in order to help members and their guests with Christmas planning and shopping.

Guild Section 4 Meeting Tuesday

Section 4 of the Women's Guild will meet Tuesday at 8 p. m. at the home of Mrs. A. K. Harmon of 4 Oak Lane.

Mrs. Lance Barden will lead a ceremony of presenting the Thank Offering boxes of the members.

The program will be a book review by Mrs. Arthur Henry.

Trip to New York

Mr. and Mrs. John E. Grant of Meadow View Road in Orinda recently enjoyed a month's trip to New York.

Birthday Luncheon

On October 30 Mrs. Thomas Moore and Mrs. Calvin Hagstrom were honorees at a birthday luncheon at the Orinda Country Club.

Those present included Mrs. William Arends, Mrs. Frank Silva, Mrs. William Thurlow, Mrs. Marvin Bonds, Mrs. Carl W. Smith, Mrs. T. M. Harrer and Mrs. James Reed.

Sorority Alumnae To Meet Wednesday

Kappa Kappa Gamma Sorority Alumnae Association will meet Wednesday at the Chapter House, 2328 Piedmont Avenue in Berkeley, at 7:45 p.m.

Transportation to the meeting will be arranged by Mrs. Ned DeLaveaga at Orinda 8461.

Plan Annual Party

Spinsters and Dames officerse met recently at the Orinda home of incoming President Vivian Gamble Otto and discussed plans for their annual party.

Happy Birthday to You

PETER TELFER

Peter Telfer, son of Mr. and Mrs. Thomas Telfer, 2 Oak Arbor Road, celebrated his 11th birthday October 4. Using the World Series as a theme, the boys enjoyed the baseball decorations on the luncheon table. After lunch, the guests went to the show with Peter. They were Clay Sorrick, Cebe Wallace, Douglas Morehead and John Barital.

SHARON SWEDBERG

Sharon Swedberg, daughter of Mr. and Mrs. W. W. Swedberg, 211 Canon Drive, celebrated her ninth birthday October 5. Refreshments and favors were enjoyed on the patio and later the following guests went to the show with Sharon: Susan Dunshee, Joyce Bailey, Diane Kirsten, Dixie Lee, Sandra Jones, Marian Coullette, Lynn Loveland, Sharon Stewart, Jill Rankin, Virginia Brunk.

ROGER HOYER

Roger Hoyer, son of Mr. and Mrs. R. T. Hoyer, 3 Madrone Place, celebrated his birthday October 7. Guests played tether ball, croquet and ping pong, after which a wienie roast supper followed. Guests were John Thurston, Tom Thurston, Billy Sheldon, Timmy Sheldon, Peter Yedidia, Barry Howard, Steven Smith, Richard Anderson, Darrell Courtright, Dick Stark, Gary Swedberg, Tom Kirby ,Roy and Joan Hoyer.

ROY HOYER

Roy Hoyer, brother of Roger, celebrated his birthday October 11. Guests played games under the supervision of Roy's brother and sister, Roger and Joan. Lunch was served to the following guests: John Blades, Billy Lancione, Jean Thurston, Janet Jones and Billy Cooper.

VAUGHN SMITH

Vaughn Smith, son of Mr. and Mrs. F. Ashton Smith, 109 Las Vegas Road, on his 10th birthday October 11, took Anthony Sebach and Michael Bigler to San Francisco's Golden Gate Park and Playland. Mr. and Mrs. Smith accompanied the boys and enjoyed themselves as much as the boys did. After spending the afternoon in S.F., the boys returned to Vaughn's house for dinner.

SUSAN PAINE

Susan Paine, daughter of Mr. and Mrs. Rees Paine, 8 Owl Hill Road, celebrated her 12th birthday October 11. Lunch was served on the patio and guests were taken to the Orinda Theater. They included Linda Axelson, Jane Knudsen, Jane Simmons, Barbara Williamson, Joy DeKorne, Patty Bonds, Christine Olsen ,Susan Murray, Susan Libby, Bonnie Nickerson, Susan Fink, Becky Harris, Karen McCullough, Gail Fries, Sharon Baschen, Carol iBesel, Joanne Sharp, Betty Brown, Joey Tuttle, Sally Johnson, Charlotte Kimball, Annette Gensheimer from San Leandro and Carol Johnson from Walnut Creek.

Tea to Climax Girl Scout Week

Orinda Girl Scouts will hold their Juliette Low World Fellowship Tea Sunday at 2 p. m. at the Scout House in Orinda. The tea will culminate a week's celebration in honor of the founder of the Girl Scouts in America.

A representative of each troop in the Orinda area will bring the contributions of her troop to this tea, where they will be combined and forwarded to the Girl Scout headquarters.

Krisna Tantraron, a Siamese student at the University of California will give a short talk. Troop 31 of the fifth grade at Gloreitta will host the tea.

During this week the fourth grade Brownie troops have been entertaining the third grade troops as part of the celebration.

Virginia Hanson, Frank King Jr. Exchange Vows

Virginia Lee Hanson, daughter of Mr. and Mrs. Harvey Hanson of Oakland and formerly of Lafayette, became the bride of Frank King, Jr., in a family wedding ceremony performed by Dr. Holland Buff of the Piedmont Community Church at the church last Sunday.

Frank is the son of Mr. and Mrs. Frank King of Upper Happy Valley Road.

NANCIE JOHNSON was the maid of honor and William McGeehon was best man. Ushers were Donald Hagglund, James Gallinatis and Alan Beck.

For her wedding, Virginia wore an imported Belgium lace bodice with a satin skirt and train. She had a fingertip veil and carried a white prayer book and white orchards.

Nancie was in a blue satin gown and carred a bouquet of pale pink roses.

THE COULE HEADED for Southern California for their honeymoon and will live in Tulelake, California when they return Wednesday.

Both Frank and Virginia graduated from Acalanes High School. Frank attended the University of California at Davis and Virginia went to Marin Junior College.

Be wise — be comfortable — patronize your hometown merchants.

Garden Club--'Yule Ideas'

Mrs. Louis Windmiller of Stockton will speak to the Orinda Garden Club Thursday at the Orinda Country Club at 10:30 a.m. The meeting has been set as "Guest Day."

Mrs. Windmiller will talk on "Christmas Ideas—New and Old." She has been in the field of flower arrangement and interior decoration for the past 14 years and has conducted a class in flower arrangements at Stockton College.

THE ORINDA GARDEN Club was well represented at the recent meeting of the California Federation of Garden Clubs ,whose members are drawn from garden clubs in all parts of California.

Under the direction of Mrs. C. Walter Cole, Orinda Garden Club president, members of the club were responsible for the colorful fall decorations on the various luncheon tables. Mrs. Cole was also responsible for the arrangement of chrysanthemums and autumn leaves combined with driftwood that had a place of prominence on the speakers' table.

MEMBERS PRESENT at this meeting beside Mrs. Cole were Mesdames William Wilson, Roger Stark, Norris Wiggins, Joseph Rupley, Charles Merrill, H. S. Doane, Y. E. Haley, Edgar Stewart, Jefferson Larkey ,Edward Russo, Ernest Hadden ,E. Hockenbeamer, John Barchfield, Paul Pollaczek, Fred Crawshaw and Ambrose Macdonald.

The Garden Club has not changed its name, as has been erroneously reported.

Weddings Bells Ring Tomorrow For Janet Davis

Janet Davis, daughter of Mrs. Fern Davis of Martinez and William Carl Davis of Ukiah, will become the bride of Don Lawrence Ambrose in a wedding ceremony to be performed tomorrow by Rev. Ernest Spacher of St. Mary's Church in Walnut Creek at 3:30 p.m.

Don is the son of Mr. and Mrs. Lawrence Ambrose of 130 Crest View Drive.

Matron of honor will be Mrs. L. T. Devol Jr., sister of the bride. Joan Conner and Mrs. Raymond Runkle will be bridesmaids.

EDWARD AMBROSE, brother of the groom, will be best man. Ushers will include Jack Meldan and L. T. Devol Jr.

A reception will be held at the Alamo Community Club following the wedding where supper for 200 guests will be served.

THE COUPLE will head for southern California on their honeymoon and will return to live at 130 Crest View Drive in Orinda.

Both Janet and Don graduated from Acalanes High School.

Janet is a dental nurse with the Permanente Dental group in Oakland. She is the granddaughter of Mrs. Kora Powell, well-known Lafayette club leader.

Don, who served as a Marine in Korea for 10 months, is now employed with his father in Oakland.

Mothers Club Sets Room Meets For Next Week

Superintendent of Schools Joseph Sheaff, Orinda Mothers Club President Mrs. Marvin Bonds and individual teachers will speak at two Glorietta School room meetings scheduled as follows:

Wednesday at 3 p.m., two second grades taught by Miss Elna Kistler and Miss Marian Scofield, at the home of Mrs. R. Messersmith, 31 Irvine Drive. Mrs. Messersmith is serving as room mother for Miss Kistler's class and Mrs. H. Anderson as room mother for Miss Scofield's class.

Thursday at 3 p.m., Mrs. Mildred Parkers' morning and afternoon kindergartens will meet at the Glorietta kindergarten room, with Room Mothers Mrs. Jean Gregg and Mrs. Vance Perry.

The Mothers Club barn dance, originally scheduled for November, will be held February 14, it was decided at a special board meeting of the organization. The club's November meeting now is scheduled for Tuesday, November 18, with a special speaker to be announced.

'Get Acquainted' Party On Monday For Happy Valley

A get-acquainted dinner party and dance for members of the Happy Valley Improvement Club and their friends will be held Monday night at Lusiani's Restaurant.

"Academy Awards" has been set as the theme for the affair. Everyone present has been urged to come dressed as their favorite movie or TV character.

Tickets may be obtained from the Mesrames Irving Roemer, G. C. Coffee, James Dinwiddie, Douglas Kilbourn or Howard Sanders.

A. G. Hardy, R. Simon, Roy Pasquini and George Jensen are on the party committee.

Garden Clubs Meet

Members of the Fourth District California Garden Clubs, Inc., met October 30 at the Orinda Cimmunity Church, where they were shown a color travelogue, "America Has Everything."

Luncheon for Eight

Mrs. J. L. O'Connel of 21 Lo Noria Drive gave a luncheon for eight guests yesterday at the Orinda Country Club. Bridge and canasta games highlighted the party.

Shop at home—and save.

Reception Planned

Following the wedding of Martha Bancroft and Second Lieutenant James Albert Chapman at St. Paul's Episcopal Church in Oakland on December 27, a reception will be held at the Orinda Country Club.

At U.S.C. Game

Seen at the Biltmore Hotel in Los Angeles October 25 were Mr. and Mrs. Marvin Bonds, down for the U.S.C.-Cal game. Also in the South for the game were Mr. and Mrs. Greg Engelhard, Mr. and Mrs. Robert C. Spott and Tom Moore.

Lutheran Church To Open $25,000 Building Drive

Sunday, November 16, will mark the beginning of a drive to raise $25,000 for a building program at Our Savior's Lutheran Church in Lafayette. Rapid growth of the congregation, particularly in the Sunday School, is the principal reason for this drive, and it is hoped that the construction of the new Sunday School unit can be completed for the fall term of 1953.

Melvin Jacobus is chairman of the building committee, with Jay Williams, Lewis Kummerow, Ralph Saxton and Harry Smith as his assistants.

According to Pastor Luther Berven, this will be Our Savior's Church's first campaign for building funds. He states:

"Our Savior's Church has never before conducted a fund-raising campaign for building purposes. The six-acre site was purchased and the church and parsonage built with money loaned to us by the Home Mission Department of the Evangelical Luther Church of America. This loan, once totaling over $62,000, has now been reduced to a little over $50,000; we pay only on the principal, as the interest is paid for us by our Home Mission Department and will be paid by them until 1963. The congregation is entirely self-supporting and has an annual budget of approximately $13,000.

"Although the church building is only three years old and although we are using the Scout Lodge and parsonage living-room for Sunday School, we still do not have sufficient room for our Sunday School classes — hence, this drive for funds."

This Sunday at both the 8 and 11 a.m. services, Pastor Berven will speak on the topic, "Radiant Living."

THE CONTRA COSTA Cerebral Palsy Society reached its first milestone this week when it received its legal incorporation papers. The event took place Tuesday night at the society's newly-acquired Shadelands Ranch School for cerebral palsied children. The school, which is scheduled to open soon, will accommodate 12 patients to begin with. Among officers and staff of the society attending the proceedings were (left to right) in the left photo, Mrs. Betty Newman, vice-president; Mrs. Agnes Elfving, speech correctionist of Mt. Diablo Unified District; Mrs. Margaret Casey, treasurer; Hetty Johnson, guidance coordinator, psychologist of Mt. Diablo District, and Mrs. Nicholas Cherok, teacher. In the right photo, Jesse Emory, right, the society's president, looks over incorporation papers. With him are Mrs. Edith Voorhies, secretary, and Attorney John B. Clausen.

— SUN Photo by Alex Howard

Connection Fee Ordinance Studied

(Continued from Page 1)

the proposal sates, "shall be deposited in a special fund to be designated 'Sewer Construction and Plant Expansion Fund,' and shall be used only for purposes of disposal plant expansion or enlargement of main trunk sewers."

Violation of the ordinance, according to the drafted suggestion, would be a misdemeanor, punishable by a fine not to exceed $100 or by imprisonment in the county jail not to exceed one month, or by both.

"NEEDED FOR DEVELOPMENT of the present district is about $1,500,000," Nejedly said. 'We must be prepared to establish a secondary treatment plant and to construct parallel sewer lines. Setting up of a fund through this system of uniform connection charges is one method of tackling the problem.

"Other methods could be taxation, bonded indebtedness or" — he chuckled — "a garbage franchise."

The garbage franchise ordinance, a key issue in the recent Sanitary District election, has been rescinded by the new Board of Directors.

"A UNIFORM connection fee ordinance would seem to be preferable to floating a bond issue," Nejedly commented.

"It's an attempt to place the connection terms on an equitable basis," Horstkotte said.

Fathers, Sons Dinner Tuesday

Ralph Wilson of Orinda is the "sparkplug" behind the coming Father and Son dinner planned for Tuesday, Armistice Day, in the Fellowship Hall of Orinda Community Church at 6:30 p. m.

Assisted by other church leaders he is distributing unique tickets for the affair which call for payment of food, with an alternative of cash contributions. A program especially appropriate to the day is planned.

Speaker is Judge Homer Buckley of the Oakland Municipal Court, past commander of American Legion Post 5 of Oakland and present chairman of its Americanization committee. His theme will be "America the Beautiful."

Music will be furnished by the Boys' Choir under Margaret Popovich and the Orinda Baguette, well known women's trio. A toast is on the toaster from Allen Sutton, and another Scout, Robin Muse, will try his hand at magic stunts.

Be wise — be comfortable — patronize your hometown merchants.

Ballard, Whetstone, Feature Shell News

Dr. Seaver A. Ballard, 235 Glorietta Boulevard has returned to Shell Development Company after a one-year European assignment. He was recently appointed head of the Petroleum Refining Department.

Richard R. Whetstone, 21 Meadow Park Court, research supervisor at Shell Development, recetnly was awarded his gold 10-year service pin.

Baptize Weatherbe Son

Mark Richard Weatherbe, son of Mr. and Mrs. Arthur Weatherbe of 15 Daryl Drive, was baptized at Orinda Community Church on October 12.

Guests at Dinner

The Thomas Allinsons and Carl Meurks were recent dinner guests of Mr. and Mrs. Robert L. Sawyer of Oakland.

Shop at home—and save.

High School Moms To Hear R. Gray

R. Guild Gray ,coordinator of secondary education in Contra Costa County, will speak to the Orinda High School Mothers Club Monday at the home of Mrs. R. A. Stark on 555 Manzanita Drive at 12:30 p.m.

Gray will talk on "Characteristics of the Adolescent." Before coming to California, Gray was an instructor at the University of Nevada and later Deputy Superintendent of Public Information for the State of Nevada.

The tea committee will serve refreshments. Mrs. Charles Baker is chairman of this committee and she is assisted by Mrs. Peter Veitch and Mrs. Joseph Rupley.

ROTATE THOSE TIRES

Rotating the tires on your family automobile will not only equalize wear but will definitely help maintain wheel balance. The California State Automobile Association points out that as tires wear unevenly they also wear "out of round," thus unbalancing the wheel.

Baptist Group To Meet Sunday

A permanent meeting place may be announced when the Country Village Baptist Church meets Sunday at the home of Mr. and Mrs. Richard Levsen of 3282 Helen Lane.

Sunday School will start at 10 a. m. and church services at 11 a. m.

John Barrow, pastor, has invited all Baptists and others not attending one of the local churches to attend

Be wise — be comfortable — patronize your hometown merchants.

Sermon Series To Close Sunday

Third and concluding sermon on the "Temptations of the Master" will be given by Rev. Joel S. Peterson at Lafayette Covenant Church Sunday morning.

"The temptations Jesus endured would have no significance for us unless he battled with the same resources available to us," Rev. Peterson says. "The Divine weapons He used were the Word of God and the Spirit of God. With these He proved an overcomer."

At the 7 p.m. service the pastor will use as his sermon topic, "A Divine Romance." Delegates will also bring a brief report from the conference meeting in Patterson this week.

Bethel Rummage Sale Successful

The rummage sale held by the Lafayette Bethel of Job's Dauhters at the Coast Counties Gas and Electric building in Walnut Creek was a great success.

Even before they had been set out on display, articles were bought by the customers, Mothers of the Bethel Girls did the selling.

The long expected "Come as You Are" breakfast was held Saturday. The girls were, as planned, quite unprepared when they were called out of bed early in the morning.

Most of them had been up late the night before because of Hallowe'en and the Acalanes game celebrations so the "Bethel Beauties" were quite a bedraggled group at the party. In spite of their sleepiness, they all had a good time.

Your hometown merchants depend on you to enable them to keep in business. So, naturally, they offer you the best buys you could get.

Open House Set Tonight After Game

About 100 young folks, the Hacienda, enjoyed their get-together at Orinda Community Church last Friday evening after the football game. They had refreshments and played ping pong and shuffleboard and danced.

Tonight there will again be open house after the game for the Hacienda, with dancing games and refreshments.

INCREASE IN JOBS

Manufacturing employment in California increased by 3 per cent between mid-June and mid-July as a result of seasonal expansion in fruit and vegetable canning and continued gains in aircraft. Paul Scharrenberg, California director of industrial relations, announced. The gain in aircraft employment alone was sufficient to outweigh losses attributed to steel shortages, Scharrenberg added.

Questions Form Basis of Sermon Sunday Morning

Forming the basis for Sunday's sermon at the 8:30 and 11 a.m. services at Lafayette Community Methodist Church, according to the pastors, are the following questions:

What has Christianity to say to the world crisis? . . . about the use of force? . . . about communism? . . . about the United Nations? . . . about Jesus Christ and His way in relation to the problem of peace for the world and peace for each life within the world?

LOAM

R. E. NASON ORINDA 2563

Canyon Callings . . .

Late dinners were interrupted last Saturday evening by the Canyon fire siren. Volunteer firemen with the Canyon fire jeep were on the job almost immediately at the Searle house rented by Mr. and Mrs. Richard Gordon.

While the fire was being reported from the adjacent Seeds home, Cub Scout Buddy Seeds took the Gordon baby to Dunham's house some distance away. The quick-thinking youngster brought back a ladder which was used by the firemen to get onto the roof.

Moraga Fire Chief Baitx with Moraga volunteer firemen and equipment arrived in record time to find the blaze under control. Baitx said the cause of the fire was a defective fireplace chimney.

BAD LUCK STRUCK the Roy Wells family twice last week. The same day that six-year-old Randy came down with chicken pox, his sister Sandra was hospitalized at Permanente with pneumonia. She was brought home Monday but will remain a bed patient until completely recovered.

Welcome to Mr. and Mrs. Marshall Jensen who recently moved into the Johnston house in Burpee Canyon. Advance stork news from the Jensen home is that there soon will be a third new resident.

Mrs. J. P. Montgomery recently returned from a week's stay with friends on a large grape ranch near Rutherford.

OF THE MANY Canyon homes bought and torn down by the EBMUD, the Anderson house is one of those which will be missed most. Long admired by residents for its architectural structure, the two-story redwood building, constructed entirely by the Anderson boys, had become a landmark on our Redwood Highway. The shambles that remain soon will be burned.

This is not only election week, it is also National Cat Week. There is a lack of space due to election news, so a short cat story will have to suffice: Ad in San Francisco paper: "Pedigreed Siamese kittens for sale; half-breeds, free."

Youngsters who won costume prizes at the school Hallowe'en party last Friday afternoon were: Jimmy Chessum, Rita Miller, Gary Foster, Roberta Funkhauser, John Thune, Buddy Seeds and Caroline Thune.

After playing games the upper grade revelers had punch and cakes baked by the girls in the school kitchen. The primary children entertained their mothers with a short program before enjoying games and refreshments which followed.

Last Monday's football score, for game played at Moraga School: Canyon 12, Moraga 6.

"SPOOKS" IS the appropriate name given the new calf produced by Rosie, the Reiter's Jersey. The white-faced red bullet arrived Hallowe'en about 12 p.m.

Political note or Kid Quip? Mother, lecturing young son on disrespectfulness of youngsters toward their elders, cited an incident where a boy shot at a neighbor with his water pistol then said, "I hope I never hear of you shooting at anyone with your water pistol." Sonny: "Oh, no ma'm—but how about if it's Truman?"

Saturday evening the young-teens enjoyed a Hallowe'en dance at the Inn. All in costume, the youngsters enjoyed games and dancing which included the Virginia Reel and Paul Jones, with adult chaperones acting as callers. The chaperones came as ghosts.

Prizes were awarded the following: Shirlian Lonergan, costumed most beautifully; Gordon Foster for most original costume, and Mike Malvey as the funniest character. One prize went unawarded—no one could guess the "mystery figure" —one of the chaperones dressed as a witch.

CANYON SCHOOL HELD a presidential election last Tuesday, following the correct election procedure from nomination of candidates to voting for man of choice. Each student in the upper grade registered, showing party preference. (Mr. Masker found it necessary to state it was not necessary to register "non-partisan" if one parent had registered as a Democrat and one a Republican.)

Election speeches were given with three pupils orating in favor of Stevenson and three for Eisenhower. A four-member election board was in charge of the "school precinct."

Registration showed six Democrats, 20 Republicans. Votes: Eight Stevenson, 18 Eisenhower.

First Meet Held By New 4-H Club

First meeting of the newly-organized Lafayette 4-H Club was held yesterday at Lafayette School and was a huge success.

Nearly 20 persons were present and discussed future plans for the group. Election of officers were set for the next meeting.

During a recent meeting of parents and leaders of the group at the home of Mrs. Will Hall of Reliez Valley Road, the year's program and projects were discussed.

Club members will have small animal projects with the exception of Junior Leader John Trimmell, who will have beef projects.

John Carnnill, farm adviser, was present and showed colored slides of various 4-H activities.

Youths between the ages of 10 and 21, interested in joining the club, have been asked to contact Mrs. Hall at Lafayette 2547.

Mrs. Hall and Mrs. F. C. Davidson of Boyer Circle are leaders of the group.

WEAR SOMETHING WHITE

Three times as many pedestrians are killed during hours of darkness even though there are fewer cars operating. Wear something white at night, cautions the California State Automobile Association. When you drve at night, be alert for pedestrians.

I'm Happy

By BILL SIMPSON

You good citizens must still have a little faith in human nature. I know you're not supposed to believe any of the stuff you read in ads. But there were sure plenty of you who must have thought that our statement about meeting downtown prices on carpets and draperies was the straight goods.

Your response to last week's "I'm Unhappy" pitch was really sensational, and has put me in a benevolent mood.

In fact, I'm going to offer two of the most sensational bargains you have ever seen. (And this is further proof that we can furnish draperies and carpeting to every prospective buyer—whatever your needs or whatever your budget.) We invite you to compare these prices.

Textured Pile CARPET SPEC. 7.50 YD.

Hi-Lo pile in inviting ranch style. A beautiful, durable covering for your floors. Grey, green, honey beige. Reg. 10.75 yd. (and this is actual, regular price . . . NO BALONEY

Oatmeal Colored Cotton Boucle SPEC. 1.95 YD.

A gorgeous open-weave fabric for your draperies. Reg. 2.60 yd. (another 'no-baloney" regular price.)

Annual Report Lists Progress Of E.B.M.U.D.

Louis J. Breuner, president of the East Bay Municipal Utility District's Board of Directors, announces that copies of the district's annual report for the fiscal year 1951-52 are available to the public and may be obtained at any of the business offices in Alameda, Berkeley, Lafayette, Oakland, Richmond or San Leandro.

In addition to containing the financial report for the fiscal year ended June 30, 1952, the report summarizes many of the utility's activities for the 12-month period.

BREUNER STATED: "Growth in the East Bay area has continued at a rapid pace, and this is reflected in all phases of the district's operations; for example, during the 1951-52 fiscal year, water consumption continued to increase, with the year's average reaching 112,000,000 gallons per day. A new, all-time high for water usage was reached on June 16, 1952, when district customers used 168,232,000 gallons of filtered water during that 24-hour period."

Approximately $5,000,000 was invested in expansion and improvements to EBMUD plant and properties, the report states. More than 58 miles of new water mains were placed in the ground; much of this was necessary to replace distribution mains which were either worn out or inadequate in size.

CONTRACTS TOTALING more than one half million dollars have been let and work started on several new filtered water storage basins. The six and one-half million gallon Almond Reservoir in Castro Valley; the 19 million gallon Leland Reservoir near Walnut Creek are some of them.

The value of EBMUD's plant and properties increased to ann all-time high net value of $134,338,016, of which $23,049,135 is invested in Special District No. 1, the East Bay's new sewage disposal system. Bonded indebtedness was reduced by $2,105,000 as a result of annual bond retirements. The original indebtedness of $77,000,000 has now been reduced to $47,300,000. Interest payments made during the past fiscal year totaled $2,037,046. The taxpayers now have a clear investment in this non-profit community enterprise of more than $69,000,000, according to the report.

Add up all those expenses involved when you shop away from this area — it pays to shop at home!

Jerry Hears From Queen of England

Jerry Wallace, eight-year-old son of Mr. and Mrs. Lawrence Wallace of Lafayette, has a new pen-pal for himself this week, and it's none other than the Queen of England.

It seems Jerry wrote her majesty asking for a picture, and in a letttr sent directly from Buckingham Palace he received the following answer:

"The lady-in-waiting is commanded by the Queen to thank Master Jerry Wallace for his letter.

"Her majesty very much regrets that, owing to her rules in these matters, it is not possible for the Queen to send Master Wallace a photograph."

Adam and Fallen Man — Topic for Christian Science

The subject of the Christian Science Lesson-Sermon for Sunday, November 9, will be "Adam and Fallen Man."

Some of the Bible citations to be read in the sermon will be from Paul's Epistle to the Romans, including the following verses:

"They that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his" (8:8, 9,).

The following correlative passage will also be read from the exegesis of the book of Genesis as given in the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"The Son of the Virgin-mother unfolded the remedy for Adam, or error; and the Apostle Paul explains this warfare between the idea of divine power, which Jesus presented, and mythological material intelligence called enegry and opposed to Spirit" (p.534).

New Martinez Motor Vehicle Quarters

The Martinez Branch of the Department of Motor Vehicles now occupies new quarters in the former Martinez Elementary School Building, 1301 Alhambra Avenue. The new office was opened Monday. The department closed its office at 930 Ward Street last Friday.

Office hours continue to be from 8 a. m. to 5 p. m. Mondays through Fridays.

Greco Troupe To Dance In Oakland, Richmond

Jose Greco and his company of Spanish Dancers, directly following their San Francisco engagement will make a two days' appearance in the East Bay area. Next Monday they will be at the Oakland Auditorium Theater. Next Tuesday they will be at the Richmond Memorial Auditorium.

Senor Greco, his ballerina, Nila Amparo, and the other 16 members of his company are presenting authentic Spanish and Flamenco dances. The stirring troupe is exhibiting a style and physical expression—rhythm, grace and earthiness—for which the American dance stage has long been hungry.

County Need for Park System Told By Ralfe Miller

Contra Costa County should have a park system because it is rapidly becoming a congested metropolitan area, and individual communities cannot handle the recreation problem alone, Ralfe Miller of Lafayette told a joint meeting of the Contra Costa Park Council and Crockett Community Council in the Crockett Women's Club building last week.

A University of California recreation expert and member of the new Contra Costa Park and Recreation Committee, Miller spoke on the work of the committee, which is currently investigating applicants for the coming countywide park and recreation survey. Approved by the Board of Supervisors at the recommendation of the Park Council, the $8500 survey should begin soon, he said.

THE PARK COUNCIL is a lay group with the primary aim of setting aside large park areas before it is too late, Chairman Alvin Burton of Walnut Creek explained to the 40 organization delegates present. Art Rodrigues, chairman of the Crockett Community Council, opened the meeting and turned it over to Burton.

Asking for organization representation on the Park Council, Burton announced that Mrs. Anne Glass of Concord and her committee are sending letters to all county organizations. Membership fees of $3 for organizations and $1 for individuals are being requested to help defray paper and postage costs, he said, explaining that, to date, such expenses have been borne by individuals.

Mrs. Elva C. Rutherford, president of the Martinez Branch, American Association of University Women, was commended for her organization's radio program, which she initiated, and was asked to help the Park Council organize a radio section.

H. J. RAYMOND of Concord's Fleet Reserve Association and several Crockett delegates suggested park sites in their areas. Burton promised them that the company making the county recreation survey would interview committees in each area to investigate all such recommendations.

Central county residents attending included:

Park Council Secretary Mrs. Eva C. Clune of Walnut Creek AAUW, Mrs. Juanita Robinson of Walnut Creek Women's Club, W. Uhl Lichens and R. F. Lusk of Walden Improvement Association, Clovey LaCroix of Danville, H. J. Raymond, Harrison Spivey and G. K. Darrow of Concord Fleet Reserve Association and Mrs. Brigitta Dobratz of Concord AAUW.

Mr. and Mrs. Frank Salfingere of Concord American Legion and Auxiliary, Publicity Chairman Mrs. Rosemary McQuarrie of Concord Business and Professional Women's Club; Mrs. Verna Lyford of Martinez American Legion Auxiliary, Mr. and Mrs. Herbert Adams of Martinez Elementary PTA, Mrs. Lawrence Ulrich of Bay Point PTA and Charles T. Sahm of Bay Point Fire District.

Pianist H. Godes To Present First Acalanes Concert

The first in a series of five concerts being presented in 1952-53 by the Acalanes Community Concert Association is slated for Wednesday.

Herman Godes, young pianist from Latvia, who will appear here at the Acalanes auditorium, is making a new life for himself in America and a new name for himself on the American concert stage.

He was unknown here until he made his first North American tour last season. The refreshing delicacy of his playing quickly struck a responsive chord in American audiences.

GODES WAS born in Riga, Latvia. He received his first musical instruction and inspiration from his mother who was a prominent music teacher.

He made his professional debut as a concert pianist in Riga when just 13 and was graduated cum laude from the Latvian State Conservatory four years later.

Under a state scholarship Godes next studied in Vienna under the Russian master Isserlis and later in Paris with Robert Casadesus.

GODES HAD begun a brilliant career on the European concert stage which was cut short by the outbreak of World War II. His activities were interrupted first by two years of military service in the Latvian army and then his subsequent capture by the Germans. He spent four years in concentration camps before his liberation from Buchenwald by United States troops in 1945.

Choosing to remain a displaced person rather than return to his Russian-occupied homeland, Herman Godes settled in western Germany. He was accepted as a master pupil by the great German pianist Walter Giesking and immediately resumed his career with even greater success.

DURING THE season of 1948-49, Godes played 12 different piano concertos. Their partial listing indicates the wide range of the artist's musicianship—from the romantics Beethoven and Brahms, down through Tchaikovsky and Richard Strauss, to the moderns, Gershwin, Rachmaninoff and Bartok.

Godes came to the United States in 1950. Here his first engagement was a recital at the Gardner Museum in Boston, where he was immediately engaged for a return appearance.

Kennan Warns Against Attacks On Education

Terming constructive criticism "most welcome" but deploring attacks aimed "only at the destruction of the principles of public education," Dr. Richard B. Kennan, executive secretary for the National Education Association Commission for the Defense of Democracy through education addressed a group of more than 75 Contra Costa educators last week.

Speaking at Las Lomas High School, Dr. Kennan classified the destructive attackers of education as being these main types:

The "notoriety seekers," who attack for their own publicity purposes; the "bgiots," who attack on anti-tolerance issues; the "money seekers," who grow privately wealthy from anti-school campaign contributors; the "distortionist," who contort the concepts of public education to suit their own ends and the "well meaning crackpots," who form an aware, alert element, generally misinformed on public school principles.

DR. KENNAN admonished that teachers need to be judicious and accept constructive, sincere criticism, admitting their failures, while working toward better and higher educational standards. 'The best way to answer the destructivist is with fact," Kennan declared, "and educators must be united in meeting these attacks."

Dr Kennan observed that it was his belief that most of the attacks on education in the near future would be aimed at the college and university level.

THE NEA SPEAKER contended that attacks on educational leaders to date illusrate a systematic attempt to undemine confidence in public education.

Dr. Kennan's appearance was sponsored by the Acalanes Education Association, teachers' group for Acalanes District instructors.

Girl Scout Council Launches Leaders' Training Course

A leaders' training course now is in progress according to Jeanne Christy, executive director for the Diablo Valley area Girl Scout Council.

She said 93 prospective leaders have enrolled and have been split into two sections. Mrs. Delmar Brussard has the Brownie Class and Miss Christy the intermediates.

CLASSES NOW are closed but others will be formed Interested persons may contact Mrs. Burwell Spurlock, training chairman, at Lafayette 3307.

At the council's October meeting, the following offivers were elected: Mrs. Leonard Ford, Walnut Creek, president; Mrs. Michael Rosemont, Pleasant Hill, first vice-president; Mrs. H. L. Beeton, Pleasant Hill, second vice-president; Mrs. Edwin Murray, recording secretary; Mrs. Harold Austin, corresponding secretary and Mrs. C. B. Anderson, treasurer.

Chairmen of standing committees are Mrs. George Jensen, staff and office; Mrs. Donald Krotz, finance; Mrs. Penny Glidden, camp; Mrs. Burwell Spurlock, training; Mrs. E. Barnett, registrar, and Mrs. Lyle Anderson, organization.

Mrs. Julian Ramelli, chairman of the nominating committee, said the following members will serve on the nominating committee: Mrs. Nino Cunningham, Mrs. Leroi Kennedy, Mrs. Arthur Henry, Mrs. B. Catterlin and Mrs. Charles Millard.

District chairmen are Mrs. George Carl, Pleasant Hill; Mrs. Dorothy Bowman, Orinda, Mrs. Harry Ritz, Walnut Creek; Mrs. Jeannett Hail, Lafayette and Mrs. Charlotte Taylor, Ygnacio Valley.

The new board will be installed in January.

Schools to Close On Armistice Day

Because Tuesday is Armistice Day, no classes will be held in schools that day in the Lafayette, Orinda, Walnut Creek, Moraga, Canyon and Acalanse High School districts.

All classes will resume Wednesday morning.

Assembly Topic: Driver Education

Douglas Fitzgerald, public relations representative of the National Automobile Club, will speak before an assembly of students and teachers of Acalanes High School at 8:30 a. m. today on "Driver Education and Public Safety."

Fitzgerald will disuss some of the most common types of accidents involving teen-agers and the ways of preventing these accidents, followed by a dramatic sound film on Driver Education.

Assemblies such as this are part of the year-'round program of Public Safety and Accident prevention sponsored by the National Automobile Club in cooperation with the California Association of Insurance Agents, and endorsed by the California Highway Patrol, Department of Education, National Safety Council and local enforcement agencies.

Junior Red Cross Membership Drive

The schools of this community are re-enrolling in the Junior Red Cross. First Sign-up was last Saturday. Another is scheduled for November 15.

This is an opportunity for your child to gain practical experience in safety, self-reliance and service. The Junior Red Cross gives youngsters an opportunity to take part in community activities — fire prevention campaigns, pedestrian and bicycle safety projects, programs for the sick and handicapped.

BOYS AND GIRLS who want to help others are thankful for the chance to serve through the Junior Red Cross. There are no dues; in an elementary school it just takes 50 cents to enroll the whole class. For this 50 cents each class receives an enrollment poster, Red sticker for each classroom door, a membership roll and a year's subscription to the Junior Red Cross news.

Last year, through a vote of the participating schools, The Junior Red Cross sent $800.00 to the National Children's Fund. This fund is used for the rehabilitation and relief of children in war-torn countries and other disaster areas.

THE MT. DIABLO chapter also sent two high school students to the Red Cross training camp last summer. These students spent 10 days learning about Junior Red Cross activities and how to promote them in the community.

Last year our schools sent gift boxes to needy children averseas The Junior Red Cross also helped military hospitals in our area — making tray favors, Christmas decorations, ash trays and other items.

Diablo Jay Cees Meeting Monday

Movies of recent San Francisco 49'er football games will be shown during Monday night's meeting of the Mt. Diablo Junior Chamber of Commerce at El Nido Restuarant in Lafayette at 8 p. m.

The movies are narrated by Bud Foster, local sports announcer, according to Howard Cook, Jay Cee vice-president.

Jay Cee members, their guests and all interested persons have ben invitd to attnd.

Th Mt. Diablo Jay Cees are a group of men from Orinda, Lafayette, Walnut Creek and Pleasant Hill who have joined together in working for community improvement.

The Safety committee, headed by Bill McKee, is working on a courtesy program with the idea of giving commendation letters to good drivers. It has obtained a safety banner which will soon be placed along Mt. Diablo Boulevard.

The Junior Chamber is a member of the Diablo Highway Improvement Federation.

Babo Will Speak At Baha'i Meet Tueesday

The Contra Costa Baha'i group will hear Fred Babo of Palo Alto speak at a public meeting to be held Tuesday night in the Berkeley Women's City Club.

The group will be linked by ties of devotion with Baha'is members all over the world Wednesday as they observe the anniversary of the birthday of Baha'u'llah, founder of the faith.

PREVENTS MANY STRAINS

There is a degree of truth, perhaps, in the charge that car makers are responsible for the situation that makes it necessary to slam the automobile door in order to close it, points out the National Automobile Club. Car owners, however, are not entirely innocent, and a little oil or graphite applied to door locks and strikers will demonstrate this to the satisfaction of the most skeptical.

Your Garden

Indoor Gardening Season Approaches—You'll Find These Suggestions Helpful

By BERT WRIGHT

FROM FROST TO SPRING, it's the indoor gardening season. And as often as this season rolls around there are a number of troubles and problems that face the indoor gardener.

During the past few weeks most every day I find a number of letters in my mail basket from indoor gardeners wanting advice and answers for their problems. Here are the answers to some of those problems. Maybe they will be helpful to other window-sill gardeners.

WASHING HOUSE PLANTS — Glossy-leaved plants profit from a weekly spraying or sponging. Soapy water is beneficial for washing when red spiders, scales and certain other insects are present.

Fuzzy or hairy leaved plants should be dusted with a soft brush, not washed.

BUD DROP — Drying-up and dropping of buds on plants with dark green foliage is quite common. This condition is usually caused by either a high temperature, irregular or too heavy watering, or by gas fumes.

A week or 10 days without water may damage your plants. Water the plants good and place in a box, setting the pots in saucers or pans of water. Pack wet paper or peat moss around the pots. If the house will be unheated or the thermometer set low, be sure the plants are placed where they will not freeze.

HOUSE PLANT CONTAINERS - Containers without drainage or vents at the bottom (such as table lamps with a basin for house plants) will soon cause a soil compaction and a soil condition that will not permit proper plant growth. If not carefully watered, air is driven out of the soil . . . and air in the soil is as important to plant growth as air to your own well-being.

When possible, such containers should have a hole drilled or cut in the bottom. In the case of many table lamps made for plants, a hole can easily be drilled in the base that will permit drainage into a saucer placed under the base and out of sight.

With care in watering Ivies, Saint Paulias (African Violets) and Cacti, plants may be kept in good growing condition without drainage vents. In this case add water only when the soil is dry on the surface and then use enough to saturate the soil root ball. Tip the container and pour off excess water. Do not water too often.

ELECTRIC LIGHTS — During the dark winter days when there is little sunlight, electric lights may be used as a substitute.

Growth under artificial light can not be expected to be equal to that under natural conditions ,but you can keep plants green and growing by supplementing with artificial light.

SOIL STERILIZATION — With the increasing presence of plant diseases and soil insects, it is most always advisable to sterilize new potting soil. The simplest method for small amounts is to place the soil in a shallow pan and put in the kitchen oven for 20 minutes at a temperature of 180 degrees. Higher temperatures should be avoided so as not to burn up the organic matter.

Another method said to give satisfactory results is to pour boiling water over the new potting soil, cover with burlap and let stand for 24 hours. Then uncover and stir to incorporate air with the soil. Let the soil dry until it is in a workable condition.

PLANT FUMIGATION — We usually think of fumigation as a control measure that con be used only in greenhouses and in air-tight places. However, mites and some other infestations of house plants can often be easily controlled by a simple home fumigation.

Place the plants in a tight bureau drawer or in a cardboard box with a cover, include about five moth balls for each four inch pot. Let plants stay in such an enclosure for 24 hours. Meanwhile sterilize the saucers, watering pots and shelves in boiling water.

Rehearsals On For 'Messiah'

Singers are invited to join with the Acalanes Evening Chorus in the preparation of the "Messiah." The chorus is one of the activities of the Acalanes Adult Center.

Its performance on December 14 will be the sixth annual presentation of the "Messiah." In the past, from 60 to 100 singers have participated in the productions, which have been described as 'outstanding" by Bay Area musicians.

Rehearsals are held at the Acalanes cafeteria on Monday nights at 7:30 p. m. Bruce Handley, the director, extends an invitation to all interested singers.

An unusual feature of the rehearsals this fall is the concurrent rehearsing of "Pirates of Penzance." The chorus will present thise operetta early in March. Parts are being cast now, and a portion of each rehearsal is devoted to the operetta.

Be wise — be comfortable — patronize your hometown merchants.

Women Voters Asked for 'No' On Nos. 5 and 6

This is one of those post-election observations that can't be too efective. But, despite our embarrassment, it must be made.

In last week's listing of recommendations on propositions, The Sun erroneously listed the League of Women Voters as recommending a "Yes" vote for State Propositions 5 and 6.

The League of Women Voters recommended a "No" vote on Nos. 5 and 6.

The Sun's error, of course, was entirely unintentional. And we apologize for the mistake. We had checked with a League of Women Voters official on the League's stand on various propositions — but in the maze of election news we're uncertain as to whether we jotted down the wrong words or whether there was confusion in the conversation, or what.

Anyway, we're sorry!

BATTERY CHECK

By checking the level of the electrolyte solution in the storage battery of your automobile you can prevent damage to the battery plates and separators, according to the California State Automobile Association.

Adoption Group Picks Committees

The new Auxiliary of the Contra Costa Adoption Unit formed committees when they met Tuesday at the home of Mrs. Paul Pratt in Walnut Creek.

Mrs. Pratt was named as chairman of the Education Committee. Working with her will be Mrs. Stanley Utter, Mrs. Lloyd Wood and Muriel Nelson.

HEAD OF THE Projects Committee will be Mrs. George Wheatley. Others on the committee are Mesdames Sam Anastasio, Melvin Hickman, Richard Jewell, Robert Rose and James Patton and Dr. Maxine M. Sehring.

Publicity committee is headed by Mrs. Robert Keystone. She will be assisted by Mesdames Donald Fibush, John Quartarolo and Dwight Birch.

Miss Muriel Nelson, the agency's director, gave a report of the county unit's background and progress to date.

MRS. BIRCH, acting chairman, reported on the advisory board's recent meeting in Martinez and led a question and answer session.

Next meeting has been set for December 2 at the home of Mrs. Donald Fibush on Springhill Road.

Dons vs. Devils in Crucial Game Tonight

The Acalanes Dons have come a long way since practice started on September 1, and as things now stand they are at the top of the heap along with Mt. Diablo and Pittsburg. wih each of the three boasting three wins and a tie.

Tonight at Acalanes Memorial Field, the Dons face the big one in power-laden Diablo High, which has a record of all wins except for a 19-19 tie with the Pittsburg Pirates two weeks ago.

Kickoff tonight is at 8 o'clock.

Diablo swept through two practice tilts, while the Dons suffered setbacks at the hands of Piedmont and El Cerrito.

Diablo was the pre-season favorite to cop the county title, and it looks as if they may end up with it unless the Dons can rise up and cop a win tonight, as Diablo, after tonight has only winless Alhambra High remaining on their schedule.

THE DONS MUST WIN tonight if they are to remain in title contention, as they face the Pittsburg Pirates next Friday night, November 14, in the grand finale of the 1952 season, which has witnessed the closest football race in several years Next week's game will be at Pittsburg.

Diablo is rated as a powerful offensive club which has the ability to score and has as yet to be blanked this year, while the Dons have been shut out on one occasion, when they dropped their opener 28 - 0 to Piedmont.

Senior Fullbacks Bill Edelman of the Red Devils is rated as the County's best and hardest runner. He goes only on offensive, and the Dons will have to match him with a Junior Fullback who operates on both offensive and defense in addition to doing the punting.

Marv McKean is a Junior quarterback who was rated highly last season as a sophomore and the Dons will try to offset him with a duo of Sammy Indelicato, a senior, and Bart Ferro, a Junior.

BOTH HAVE SHOWN vast im provement during the season and will play an important part in tonight's game.

The Dons' backfield will be round ed out with Halfbacks Jim Burns and Roger Owen, who bring speed and balance to the offense, as well as doing their stint with the defensive unit.

THE STARTING LINE for tonight sgame finds Mike White and Jerry Hendreson at the end spot, while Andy Monsen and Jim Chamtion bet the call as tackles.

It's Bill Johnson and George Fortado as the guards, with Gary Howerton in the pivot position.

Both elevens operate from the power T formation, and much depends on which team generates the most power o nthe ground and in the air.

Vikings, Lobos Clash Tomorrow

Coach Hal Buffa's powerful East Contra Costa Junior College Vikings entertain the Monterey Peninsula College Lobos at Pittsburg High Stadium tomorrow night, with kickoff scheduled for 8 o'clock. It will be a regular Coast Conference clash, with second place on the block.

Both Contra Costa and Monterey are deadlocked for the runner-up spot along with Menlo, with 1-1 records. Menlo is a cinch to stay atop since they meet Marin today. But Monterey and East CC are expected to stage a furious battle to remain in contention for Coast Conference honors.

THE VIKINGS, fresh from their easy 40-6 victory over outclassed Placer J.C. in Martinez last Saturday night, will be almost in top shape for the Lobos, who warmed up with a 28-19 decision over Shasta last Friday.

Halfback L. C. (Jet) Joyner of the Vikings regained his lead as the number 1 Northern California junior college scorer by romping for two touchdowns, zooming his seven-game point total to 89, three ahead of runner-up Sam (First Down) Brown of the West Campus. "Jet Joyner" reeled off 152 yards in 10 carries for a phenominal 15.2 average. He had runs of 37, 33, 31 and 19 yards.

THE FIRST TOUCHDOWN of the game, which sent the Vikings on their way, was tallied by Halfback John Daniel, former Acalanes High star. Daniel took a pitchout from Quarterback Tommy Kramer and swept 15 yards around his own left end.

Along with Daniel, at least three ex-Dons will be in the thick of things against Monterey .Slated to start are Bob Borghesani, end on offense and safety on defense, and Tackle Jim Forni, defense. George (the Cat) Kallas, also an ex-Acalanes athlete, will see plenty of action on the defensive team. The 210-pound Kallas set up the final CC tally against Placer when he recovered a fumble on the five, from where Halfback Chad Curtis of Brentwood carried over.

Last year, CC bowed to Monterey 21-7 in their first meeting. But the Vikings will be slight favorites tomorrow night to continue their victorious ways.

Knights' Finale Against Swett Next Thursday

The Las Lomas Knights close out their first season of football when they meet the John Swett Junior Varsity at the Las Lomas gridiron next Thursday afternoon. Kickoff is set for 3 p. m.

The Knights have been the surprise of the league, with Coaches Merle Callow and Ed Lakey turning out a well drilled eleven composed of freshmen and sophomores.

The Knights at this writing hold wins over Alhambra and Albany, and have given good accounts of themselves against Acalanes, Diablo and Pittsburg.

Indications point to a fine, representative team next season, with all players returning and with the addition of an incoming freshman class.

Plans call for the Knights to enter Varsity play in the fall of '54.

Babes, Pitt in Final Next Week At Don Field

The Acalanes Junior Varsity plays its final game of the season next Thursday afternoon when it meets the powerful Pittsburg J. V. squad at Acalanes Memorial Field, with kickoff at 3 p. m.

The game will decide the county title.

The Don Babes boast a speedy backfield and have a fast improving line.

Many of the players will be playing their final J. V. game as far as high school football is concerned. These lads are scheduled to move up to vrasity spots come the 1953 season.

DRIVERS NEED TIME

Even the best and most alert motorists need time to react when an emergency arises. The safe driver will keep clear space ahead of him and control his speed.

Knights Beaten By Panther J.V. To Tune of 13-0

Thirteen proved to be an unlucky number for the Las Lomas Knights when they dropped a 13-0 game to the Antioch Panthers yesterday afternoon at Antioch.

The Knights found the going tough when fumbles caused their offense to sputter and stop, with the end result that they were shut out in the scoring column.

THE TEAMS BATTLED it out on even terms in the opening quarter, with Antioch's first tally coming when they scored on an off tackle play from one yard out. The conversion was good, making it 7-0, when Antioch ran the conversion try on a fake placement try.

Touchdown number 2 came when Antioch drove to the five from 40 yards out and scored on another off tackle buck.

THE KNIGHTS PLAYED their best ball in the second half, with a 35-yard pass play from Rick Ostrom to End Dick Jordan the big gainer of the day.

Fumbles or failure to make yardage stopped three Las Lomas scoring threats, once on the three and two other times inside the 10.

Bob Lucas at quarter and Rick Ostrom at halfback were outstanding for the Knights in the backfield, while Center Don Jones, Tackles Arnold Lahde and Bob La Force and End Dick Jordan showed to advantage with their line play.

Be wise — be comfortable — patronize your hometown merchants.

Those Amazing Dons Now Face 2 Other Top League Teams--Diablo, Pittsburg

By ERWIN MATTSON

The Acalanes Dons have been the surprise of the football league to date, and with but two games to go are in a tie with Mt. Diablo High and Pittsburg for the number 1 spot, with all three clubs having three wins, a tie and no losses to show for their league play.

The Dons have a doubly tough row to hoe as they meet Diablo tonight and Pittsburg next Friday, November 14, and Diablo and Pittsbrug are the elevens who were doped to be the top clubs at the beginning of the season.

The Dons have improved with each outing and it remains to be seen of they can keep up the pace for the final two games.

Good weather tonight could mean a record crowd for the Acalanes — Diablo game. It will be standing room only when the kickoff takes place at 8 p. m. sharp.

One thing that we have always tried to do at Acalanes is to start at the scheduled time. Such has not always been the case at other fields. On one occasion this year, the kickoff was ten minutes late when the home team failed to show. Such a procedure keeps the other team waiting and spectators become impatient.

Coaches try to time their warm ups and pre-game drills to bring the team to a mental and physical readiness for the stated time for the kickoff, and it doesn't help when the time is delayed. Some coaches have been known to use such tactics to upset the opposition. Sometimes it does just the reverse and tends to fire them up in resentment.

Unfortunately the rule book does not provide a specific penalty, although it might be construed as unsportsmanlike conduct which involves a 15 yard penalty. The main problem is to get officials to call such a decision, as most fear being blacklisted by the coach.

Speaking of rules, one came up in the Antioch game last week which hasn't been seen for some time. An Antioch player laid out on the sideline.

By laying out, I mean that he stayed by the sidedlines and didn't come into the huddle for the next play, which was a pass to him good for some 15 yards but which was called back with a penalty of 15 yards. Such a play is considered unsportsmanlike conduct and was ruled out by coaches several years ago. The proximity of spectators and the player's bench to the playing field resulted in the ruling, as it was very difficult for the defense to detect the player.

The player in question was not only violating the rule but was actually off the playing field and as he straddled the sideline and so was ineligible to receive a forward pass.

Another ruling in the game caused some question when it appeared that the Dons scored in the final two seconds of play from the one-foot line, only to have the play nullified when the timer said time was up before the play.

The rules state that if a play is initiated before the final gun, that play shall count. The only question was: Did the center pass the ball before the time was up? The timer is the official judge in such a case. He calls it as he sees it and that is it. I have no reason to believe that the official did not call it as he saw it in this particular case.

There have been occasions in the past, not only in football but also in basketball when some of the timing procedure was questionable. Personally, I have felt that the timer should be an outside official. Decisions in timing are often difficult to make and a home town official can have a lot to do with the end results, probably more so in basketball than in football.

I have known timers who should be given the letters at the end of the season as they have contributed more to the home own team than many of the players!

The Cal Bears took another one on the nose last week end when they met up with a powerful and well drilled U.C.L.A. eleven.

Many are already asking "what is the matter with the Bears?" I happened to see the Bears the past two week ends and my answer is that the only thing wrong was that they met up with probably two of the best teams in the country. Not many, if any, could defeat U.C.L.A. or U.S.C. on a given Saturday.

The Coaches at Cal are still doing a top job, and, rest assured the Bears will bounce back. They are still a sound well drilled team but appear to lack certain essential players necessary for the championship circle.

The only disturbing factor with the Bears, as far as I am concerned, is the "popoff" tactics of an assistant coach.

Fast Don Eleven Upsets Antioch Panthers, 21-13

The Acalanes Dons put on a brilliant running and passing attack to defeat the Antioch Panthers 21-13 in a game at Antioch that had fans on their feet yelling a good part of the time last Friday night.

The Dons opened the scoring when Guard George Fortado recovered an Antioch fumble on the Antioch 36 yard mark. Fullback Ray Williamson set the touchdown up when he boomed for 25 yards off tackle and on the next play drove over the middle to the two, from where Halback Jim Burns drove into the end zone on a handoff. The conversion point was good when Sam Indelicato split the uprights.

THE DONS WENT to a 14-0 advantage when they scored early in the second quarter after End Jerry Henderson recovered another Antioch bobble on the Antioch 29 yard line, from where Halfback Roger Owen and Ray Williamson ran the ball in four plays to the two with Bart Ferro doing the scoring on a quarterback sneak.

This time the conversion was good despite a wide pass from center to John Champlain, who was doing the holding. Champlain dropped the ball only to recover in time for Indelicato to kick straight down the middle.

ANTIOCH CAME roaring back in the same period when Halfback Buzz Carlton came off tackle on a quick opener and sped 55 yards before being collared by defender Fred Ravazzaga on the 10.

The Dons rose up and held for three downs only to have Antioch score on a fourth down pass and lateral which ended up in Fullback Remo Jacuzzi's arms over the goal line. The conversion try was high enough but wide and that made it 14-6.

THE ACALANES ELEVEN took a commanding lead in the next kickoff when Owen brought the ball back to the 41 and in three plays went to the mid-stripe. On fourth down, with two to go and but two minutes to the half, Quarterback Ferro called the perfect play when he had Williamson back in punt formation only to give the ball on a center to Burns.

Burns tore up the middle, cut right to pick up three blockers and went all the way with some nifty running, aided by some good blocking which left Antioch players strewn along the way.

Indelicato once more came through with the extra point, but it was close as the ball hit the upright and caromed inside, and it was 21-6.

ANTIOCH CAME OUT scrapping in the second half and consumed most of the third quarter in a determined 58 yard march which was delayed along the way with a 15 yard penalty for using an illegal pass receiver.

The score came early in the fourth quarter, when Antioch took the ball over right tackle from five yards out on a fourth down try. The conversion try was good, and it was 21-13.

THE ACALANES CLUB came back strong and was on the one foot line when the game ended.

They took the return kickoff and marched 65 yards down the field, with Halfbacks Owens and Burns sharing the running honors with Fullback Williamson.

SECONDS SHOWED on the clock when Williamson took it over from the one foot line after Owen had scampered 23 yards on the previous play. But the timer called it no play on the basis that time was up before the center snap.

The game marked one of the Don's best efforts to date. They appeared improved on defense and displayed some hard-running backs along with better than average aerial form.

Further improvement will be necessary tonight, however, if they are to cope with a heavy and rugged Diablo eleven.

These Dons Face Rough Game Tonight

Mike White and Jerry Henderson — Raymond Otto and George Fortado

Acalanes J.V. Nips Diablo 8-6

The Acalanes Babes took a first half 2-0 lead, then lost it on a bobble to go behind 6-2, then ended up out in front 8-6 in yesterday's game against the Mt. Diablo Red Devils.

They capitalized on a break and scored in the final quarter, with less than two minutes to go, to cop their fifth straight league game. The game was played at Concord.

THE WIN KEPT the Dons in the undefeated class and makes the game scheduled for next Thursday the championship one, as both J.V. elevens, Acalanes and Pittsburg, are undefeated and will close out the 1952 season starting at 3:15 at Acalanes Memorial Field.

The Diablo game was loosely played, with little real action taking place until late in the final period of play, and was marred by numerous fumbles.

THE DONS MUFFED two scoring chances in the first half when they dropped the pigskin on two occasions inside the 10.

The Dons' initial score came when Diablo's quarterback, Ray Lee, ran out of the end zone when trapped while trying to pass, giving the Acalanes eleven two points on the safety.

DIABLO'S TALLY came midway in the third period when the Dons' quarterback, John Conley, had the ball stolen by a Diablo linesman who rambled untouched to the goal line 34 yards away, giving the Devils a 6-2 lead. The conversion try was blocked by End Gary Gudnason.

THE GAME see-sawed back and forth in midfield until the Don line broke through and blocked a fourth down Diablo punt.

The Dons had the ball on the 26, with four minutes to go, and proceeded to ramble with Halfbacks Geoffrey Wahl and Richie Munn toting the ball to the two, with Munn scooting over from the one with a minute and a half on the clock.

THAT MADE IT 8-6, and that's the way it ended when Richard Jones kicked wide on the conversion.

Diablo started passing after the ensuing kickoff, but Freshman Safety Mike Barrett intercepted, only to have the Dons fumble.

Barrett got into the act again when he intercepted on the Devils' next aerial, and it was all over as the gun sounded.

Still Undaunted, Ol' Prof Peers In Crystal Ball

The old professor missed one last week, but that was the big one where he picked the Golden Bears over U. C. L. A.

On the basis of their showing to rate and in particular their classy display last Saturday, the prof goes out on the limb and predicts U. C. L. A. to go all the way, and that includes the Rose Bowl Classic on New Year's Day.

U. S. C. will put up a stiff argument but U. C. L. A. has more offensive strength and the equal of the Trojans in the defensive side of the picture.

THIS WEEK the Bears travel to Washington, and while the old fellow is a bit tattered and torn, the Washington Husky is no Bruin or Trojan and it's the Bears 26-14.

Stanford tackles the Trojans and the old prof goes out on the limb again to pick Stanford over U. S. C. Passing will do it, with flankers and men in motion spreading the U. S. C. defense just enough to turn the trick.

U. C. L. A. MAKES IT EASY with a decisive win over hapless Oregon State, on whom even coach Bob Stevens has given up. Bob a former Beaver player, has had a rough year, with his Alma Mater on the down grade.

Montana drops one to Idaho, while Washington State trips Oregon.

THE CAL AGGIES lose to whom ever they play, and it happens to be Southern Oregon this week, while Santa Barbara trims Pepperdine.

San Francisico State loses again, and this one to San Diego State.

College of the Pacific loses a close one to Santa Clara and the Wolves begin to howl.

The San Francisco 49'ers come back strong and the Giants pay the price. It's the S. F. eleven, 37 - 14.

IN THE LOCAL High School league the Dons of Acalanes and the Red Devils of Diablo take the spotlight in the game of the week. Diablo was the pre-season favorite and rates the edge due to experience, size and numbers. The Dons have developed a terrific will to win, to make up for the shortcomings in personnel and experience.

The Dons, 20, — Diablo 19, Sure hope that old crystal ball is right!

Pittsburg tackles a highly advertised Alhambra eleven that hasn't won since '49. The Pitt Pirates, 32-7.

On the other league tilt, it's John Sweet in a breeze 30-6, over an Albany eleven that has done everything but hanging by their suits and appears slated to end the season without a win.

CBS Columbia TV SET

America's Most Exciting Television Receiver

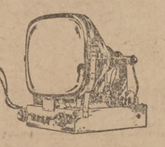
It took CBS to do it! Only CBS—the greatest name in TV, radio, and broadcast research—could bring you these exciting Television Receivers.

It was the goal of CBS engineers first to design a television chassis that would satisfy the critical requirements of the most discriminating Television viewers—the engineers who broadcast the TV programs.

. . . Then CBS housed this *Power-Tron* chassis in beautifully designed cabinets, matching the finest in appearance with the finest in performance.

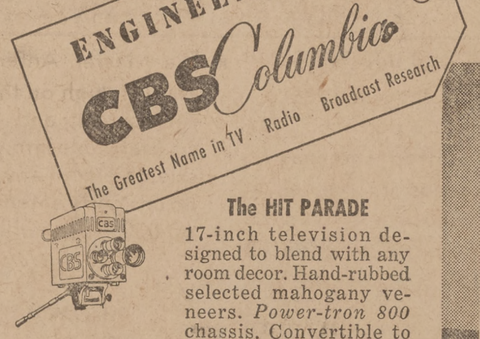
. . . Finally CBS produced this superb television receiver at a price to make it the greatest value in television today.

With the exclusive CBS POWER-TRON CHASSIS

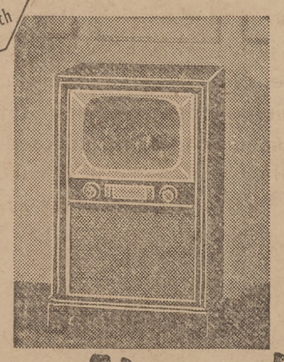


20" PICTURE

The BROADWAY—America's greatest value in exciting, years' ahead TV. Rich mahogany finish cabinet. Exclusive CBS *Power-tron 800* chassis. Phono connection. Removable front glass. Convertible to UHF.



The HIT PARADE
17-inch television designed to blend with any room decor. Hand-rubbed selected mahogany veneers. *Power-tron 800* chassis. Convertible to UHF.



It's New! It's Here! It's Years Ahead!

Now, at a cost no more than you would pay for a TV Set and an ordinary antenna, you can have perfect reception in your home complete at this low price.

- Surrounded by high hills on all sides, Orinda is in a "twilight" zone. A thousand feet over the valley the signals are perfect.
- This condition defeats rooftop antennas from picking up good reception. The result is "snow", flip flops, ghosts and blurs. A picture on your TV must have a good strong signal -- not weak "twilight" signals.
- The Master Antenna system reaches up 1600 ft. high on the Berkeley Hills for perfect signal, and delivers that signal by coaxial cable into your home. insulated and shielded from any disturbances. You need no unsightly antenna on your house top.
- 60,000 ft. of cable is now in service, and the system will proceed into most Orinda areas as rapidly as possible.

Residents of the following streets can be served at once:

Ardilla Road
Avenida Del Orinda
Bonita Lane
California Ave.
Camino Del Diablo
Camino Del Monte

Orinda Highway
Piedmont Ave.
Rose Lane
Stanton Ave.
Vallecito Lane
La Plaza

Here's what your neighbors say about reception on the antenna system:

- "We are delighted with our TV reception since connecting up with your system. We can now get all three stations perfectly. Before you installed we got only one station, and that was poor. It would be a pleasure to recommend your system to anyone."
- "Our TV reception in our Fire House is satisfactory -- in fact it is perfect . . . "
- "We are very pleased with the service you rendered in the installation, and the programs are coming in fine -- better than our expectations . . . "
- "Our TV reception is excellent and we are enjoying TV for the first time . . ."
- "More than pleased with the cabled reception so far . . . "
- "We think the whole set up is wonderful. Pictures are so clear - many times over better than we anticipated. . . "
- "Excellent pictures; congratulations. . ."
- "Reception is perfect -- even guests who live in the City remark on clarity of pictures. . ."

• These remarks and many more come in to us, and we feel very complimented by CUSTOMER reaction.

Chatting with Miss Sunad

THE WINNAH!

20 different items listed for sale in one ad, during our October "Garage Cleanup" Contest, won $5 for George Howson of 118 Camino Don Miguel, Orinda, this week.

Runners-up were Mrs. R. Redfern of Martinez, with 15 items and J. C. Kilpatrick of Lafayette with 14 items. It was fun and everybody profited. We'll do it again for Spring Cleaning but don't wait util then to sell the things other people need.

BABY MAYBE?

Everything comes to he who waits! Providing he has put in a "Misc Wanted" in Our Classified. Mrs. Blanche Corona of 1 Scenic Court, Orinda can testify to that from this:

Wanted: Baby Crib, good condition, Reasonable. Call Orinda 8915.

Now the possessor of a fine quality crib, she said she got "tons and tons" of calls so you see a Sun - Contra Costa Shopping News ad carries a lot of weight.

POEM

Christmas near and an empty purse?
Want to be Santa, couldn't feel worse —
Here's a solution that turns out nice
Sell your un-needed item and be Santa twice ! !

Sincerely,
Miss Sunad

Development Assn. Board Opposes Buchanan Field Sale for Residence Use

Directors of the Contra Costa County Developmtnt Association oppose sale of Buchanan Field for residential purposes.

The directors affirmed their position recently, following reports that indicated some agency or person in the county other than the Board of Supervisors is considering sale of the tract for development as a residential center.

The director's stand was taken during a report of a meeting of the association's airport study committee. President Dudley Suthreland had requested the report. The Committee is headed by W. B. Kelley of Pittsburg.

BOND SALE WILL FINANCE 3 ROAD JOBS

Construction of three road jobs in Eastern Contra Costa are scheduled with funds to be obtained from the initial sale on November 25 of $1,850,000 worth of bonds from the $10,250,000 issue voted last June, County Road Commissioner, reports.

Bids will be opened in Sacramento next Wednesday on one project, a three and a half mile link on the Byron-Brentwood road, the second bond project, on L Street in Antioch, extending for one mile from 10th Street to the State Freeway now under construction, is being designed by Ralph Tudor, San Francsico consulting engineer. Third project is the Loveridge Road interchange at Pittsburg and will include grade separation and approaches.

In addition, the funds obtained through sale of the bonds will also cover the $40,000 contract for air photo maps which the county has ordered to facilitate planning of the work under the $10,250,000 bond issue; rights-of-way acquisition; and a few small but vital links in the big program of county highway streamlining designed to be completed within five years, Sauer said.

HOSPITAL ADDITION CONTRACT AWARDED

Contract for construction of Project 2 in additions to the County Hospital was awarded by the supervisors last week to Swinerton and Walberg Company of San Francisco, on the firm's low bid of $546,025.

The bids had been opened the previous week. A maternity ward is included in Project 2.

ASK 8 P. M. CURFEW FOR JUVENILES

The Judges, Marshalls and Constables Association has recommended that the Board of Supervisors enact an ordinance establishing an 8 p. m. curfew for juveniles under 18 years of age, in the unincorporaated areas of the county. Joining in this request is the Crockett Lions Club.

The matter has been referred by the supervisors to the sheriff and the district attorney. It seems there is an old county ordinance — ordinance 153,, adopted in 1919, setting up a 9 p. m. curfew — which hasn't been enforced for years. The present request stems from trouble with juveniles in Rodeo.

WAGON WHEEL IN THE NEWS AGAIN

Teen-agers also came to the attention of the county board recently in a letter from Donald R. Churchill and Wallace Elliott, proprietors of the Wagon Wheel in "No Man's Land" near El Cerrito. The owners asked for law enforcement assistance in maintaining order against roughhouse antics of youths.

The Wagon Wheel was once the gambling casino of W. M. Pechart and Dave Kessel — but Churchill and Elliott informed the supervisors they are trying to run a respectable ballroom.

RICHMOND - SAN RAFAEL BRIDGE APPROVED

The California Toll Bridge Authority has approved the recommendation of the Department of Public Works that construction of the proposed Richmond - San Rafael Bridge be financed by means of revenue bonds and has authorized the necessary procedures for creating such an issue of bonds under the California Toll Bridge Authority Act, to be offered to the investing public as soon as possible.

The bridge will extend from Point San Quentin in Marin County to Castro Point in the City of Richmond, following approximately the line now used by the ferry. According to the Authority, the bridge can be immediately financed and construction can commence during the early part of 1953. It is estimated the bridge can be opened to traffic during 1956.

The Authority stated there would be no advantage in attempting to combine a highway crossing with a salt water barrier, and that the bridge project should therefore immediately proceed.

GUIDE DOGS FOR THE BLIND, Inc., is making plans for its 1953 campaign for funds to help carry on its work of training dogs that make it possible for blind persons to walk and travel at ease and in safety. Mrs. Edmund Barnett (seated) and Mrs. John A. Bohn, both of Lafayette, members of the Contra Costa membership committee of Guide Dogs for the Blind, are shown at the recent planning conference at the San Francisco home of Mrs. Leon Russell. With them on the patio is Kiss, a German Shepherd, in training to be a guide.

Spotlighting the Strip . . .

By KITTY COLE

On October 31st, LUSIANI'S gave the absolute end in Hawaiian parties Everyone bobbed for apples, played musical chairs, and in so doing won some unusual prizes. A real old-fashioned, family type, celebration. . . . DANNY VAN ALLEN'S bus tours to the 49ers home games, have been so very popular, sold out weeks in advance, that he hoped to charter a plane and take this group of football enthusiasts to Los Angeles for the 49'ers — Rams game. However, the cost per person, for such a trek, made it unfeasible, so DANNY reluctantly gave up this idea . . . At the cocktail party given by HORIZONS RECORDS representative, CHUCK SMILEY, had quite a chat with MARGE and PAT O'BRIEN. Rested and looking fine, after a much needed vacation in Washington, they are anxious to open the new spot they have in mind. Will let you know as soon as the grand opening date has been set . . . .Was coerced into eating at San Francisco's Fisherman Wharf, and was so disappointed. Am used to the delicious sea-food served at CAPE COD HOUSE, so I'm prejudiced. By the way, have you tried the cherry-stone clams which are featured at this popular restuarant? They are flown here from the east especially for you, and you, too. . . . EL NIDO RANCHO'S breakfast broadcast given for the benefit of the CONTRA COSTA CEREBRAL PALSY SOCIETY, made this organization richer by some hundreds of dollars. It was an exciting affair, and the sparkling BEATRICE KAY, certainly stole the show. The CONTRA COSTA CEREBRAL PALSY SOCIETY will benefit from next week's broadcast, too. . . .

Your hometown merchants depend on you to enable them to keep in business. So, naturally, they offer you the best buys you could get.

Girl Scout Council Leaders to Attend Regional Confab

Girl Scouting in the Diablo Valley Area Girl Scout Council will be represented at the Big Tree Region Conference Wednesday through Friday in Fresno by six members according to Mrs. George Jensen, president.

The group attending will include Mrs. Leonard Ford, Lafayette; Mrs. George Jensen, Lafayette; Mrs. Donald Krotz, Orinda; Mrs. Michael Rosemont, Pleasant Hill; Mrs. Robert Beeton, Pleasant Hill; Jeanne Christie, executive director.

UNDER THE theme "Girl Scouts —A Growing Force for Freedom" the conference will bring together leaders, council and committee members to study and discuss ways of intensifying Girl Scouting's program of training in citizenship and service to youth.

The conference will include leaders of the Girl Scout movement in the region which includes Arizona, California, Nevada, Utah and the Pacific Islands.

Mrs. Jensen said in addition, the conference will serve as a prelude to the Girl Scout organization's 32nd national convention scheduled for the fall of 1953 in Cincinnati, Ohio.

The Berkeley, Oakland and Diablo Valley Councils have coordinated in planning the theme for the President's Conference Tuesday.

The theme will be "Our Job—Strong, Self Sustaining Councils." The three councils will also lead a panel discussion on "The Leaders Yardstick."

THE CONFERENCE program will include general sessions and group discussions .A highlight will be a presentation by Fresno Girl Scouts in honor of Girl Scouting's 40th anniversary, which is being celebrated throughout 1952.

Plans for th econference are being made by the Big Tree Regional Committee headed by Mrs. Frderic S. Hirschler, Oakland, California.

Guest speakers will include Dorothy Stratton, national director of the Girls Scouts; Mrs. Alan H. Means, honorary vice-president of the Girl Scouts and chairman of the World Committee of the World Association of Girl Guides and Girl Scouts, and Dr. Tully Knowles, chancellor of the College of the Pacific.

Social and Clubs

Harvest Party Set November 15

The League of Jewish Women have planned a harvest party in the Lafayette Town Hall on November 15 at 8:30 p. m. This will start the fall sea on of activities for the group.

Bridge, canasta and other games will highlight the affair. Refreshments will be served and adminision is $1.

Chairman of the party is Mrs. Jack Cronin.

Helping her will be the Mesdames Irving Leiber, Marvin Epstein, Herbert Martin, and Stanley Harris, who will act as waitresses.

Bar tenders will be Jack Cronin, Bud Leiber and Marvin Epstein while Mrs. Lewis Rapport and Mrs. Percy Cohn will be in charge of refreshments.

CIVIL SERVICE EXAM

The United States Civil Service Commission announces its 1952 Junior Management Assistant examination. Applications must be filed with the commissions Washington office not later than November 13.

Sorority Alumnae Tea Next Wednesday

The Contra Costa County Alumnae Association of Pi Beta Phi will hold its Settlement School Tea next Wednesday from 1:30 to 4:30 p.m., at the home of Mrs. Thomas Coakley, Reliez Valley Road, Martinez.

Mrs. David Davidson, Concord, is general chairman of the event which is given each year to raise funds for the local and national philanthropic work of the sorority.

In charge of the display and sale of the beautiful woven articles which are made at the Pi Beta Phi Settlement School is Mrs. Edward T. Molloy, Walnut Creek.

The tea table and decorations will be under the supervision of Mrs. Nicholas Taliaferro, Walnut Creek.

Rebeccas Slate Turkey Whist

Danville Rebekah Lodge, which has members throughout the Central Contra Costa area, will hold a turkey whist party tomorrow night at the I.O.O.F. Hall in Danville.

Arline Harrold is chairman, and Evalena Therkildsen is assistant chairman.

PTA Council to Hear About Camping And Outdoor Educational Programs

In observance of "American Education week", the Mount Diablo Council of Parents and Teachers will acquaint its members with the unique camping and outdoor education program pioneered by school districts of Santa Clara County.

Elwood Mitchell, Santa Clara County supervisor of physical education, will explain advantages of supplanting a week of academic classroom instruction by an equal period of actual outdoor camping as part of the regular school curriculum.

Mitchell will be featured speaker at the monthly meeting of the P-TA Council, Monday at 1:30 p. m. in the Ambrose School auditorium, Willow Pass Road, Pittsburg. He will be introduced by Mrs. Linus Brazil, recreation co-chairman of the Council.

Included in the program will be Frank Young, physical education instructor of Concord Intermediate School and exceptional child chairman for the Mount Diablo Council. who will report on opportunities afforded physically handicapped, emotionally upset, mentally advanced and mentally retarded children in Central Contra Costa County.

General meeting will be preceded by the business meeting at 12:30 p. m., according to Mrs. H. F. Neller Council president.

At the business meeting Mrs. Elliott Mauzy, chairman at large in charge of extension, will make an extension report on the Oak Grove Parent - Teacher Association, 26th and newest unit of the Mount Diablo Council.

D. M. REED, representative for a salvage plant, will give suggestions for conducting a rag drive and for setting up the Council's proposed welfare room for distribution of clothing for needy school children.

Guests will bring sandwiches to the session, with coffee and dessert being served by Ambrose and Bay Point P-TA units, hostesses.

New appointments to the council executive board include: Mrs. H. T. Hamby, director of organization and extesion; Jack Smith, chairman of recreation; Mrs. Linus Brazil, co-chairman of recreation.

Plans Progressing For Mills Club Fair

Plans for the Mt. Diablo Mills Club Christmas Gift Fair November 19 at the Walnut Creek Women's Club are well under way.

Refreshments for the event will be provided by Marty's Gourmet House. Also scheduled is a fashion show with models from Sharman Studio.

Mrs. Lawrnece Green, chairman, said response from merchants in Walnut Creek and Lafayette has been gratifying.

Stores displaying items for the affair include: Thompson Electric, Celayeta's Men's Store, Kelleway's Hardware, Beem's Photo, Farwell's Children's Shop, Marty's Gourmet House, Sharman Studio ,Rodier's and Edy's, all of Walnut Creek.

Jim Shierry's Men's Shop, Frontier Gun Shop, Shoo-Time, Richard's of Lafayette, Lad 'n Lass Toggery, Hill 'n Dale, Diamond K Supply, Orchard Nursery and Lafayette Baby Shop, all of Lafayette.
